Courtney,
 you've been a great
 friend this year. Glad
 you've gotten to know you.
 You're a very nice and sweet
 girl. Good luck in the future.
 Karen Jarrell

Courtney,
 We'll miss
 you did have
 gym together.
 Hope to see you
 this summer.
 Love ya!
 'am

Courtney,
 hard to believe
 this yr. is over! I
 had a great good time
 in band with you! I
 maybe not a really good time
 Remember going over to
 see ya over the summer
 to a school in the
 little of summer
 love ya

Courtney,
 It has been a great
 year, I have enjoyed
 having you in band
 class. Best wishes
 to you and your
 friends.
 Jessa

Courtney,
 Have fun over the summer,
 See ya next year.
 Linda

Courtney,
 We hope you have
 a good time for
 the summer. We
 hope you make
 a great friend.
 We hope you
 have fun over
 the summer.
 We hope you
 make a great
 friend.
 We hope you
 have fun over
 the summer.
 We hope you
 make a great
 friend.

To a nice girl
See you next year
Have a nice summer!
Alyssa Baker

C Smith

Courtney,
Barnd was wild this year
I hope you have a great summer
Stay sweet, and wild!
Ceb
Whammy

To a good, nice girl,
See next year in many
classes,
Lini Hannon

To a very nice girl. Hope
to have more classes with
you next year. Have a
nice summer.

David Barnd

Courtney,
We had lots of fun
in art this year, good-tuck
in the past. Eileen Goble

Courtney,
It's been nice
sitting beside of you
in science this year
you're a very nice
friend, good luck
in college + the
rest of high school.
Joni
Kepler

Courtney,
Hey! I'm so glad I met
you this year. It's been
fun having you in my
algebra class. Hopefully
we'll have more classes
next year. Stay
sweet. Bye!

Louisa!

The summer of 1983 was much like any other summer. It was hot, dry, but humid. Students went to the beach,

worked at summer jobs, and attended various camps. Such redundancy prompted the ECHO '84 to ask SHS,

“what made the summer of '83 special?”

JANCINIA INGRAM — Terry and Tina jammin' all summer long from the east side to the west side of town.

CARA REISCHE — being a part of Pat Benetar and Bittersweet at the Connection.

KENT PERRY — hanging out with the grizzlies up in Colorado

CRYSTAL SADLER — riding from New Jersey to New York in a \$50 Buick

BETH ALFONSI — the experience of being a “Govie.”

KAREN HAIRSTON — partying at the lake with Gwen, Terry, Sandy, and Alan.

MISS LINNEA LITAKER — getting all set to take a picture of Notre Dame at night, and the lights were turned off.

ALLISON RICE — All the fun Gin, Romus, TBird, Patrick and I had at Gin's party.

MRS. PEGGY CROCKETT — watching Robert Jordan try to trick-ski.

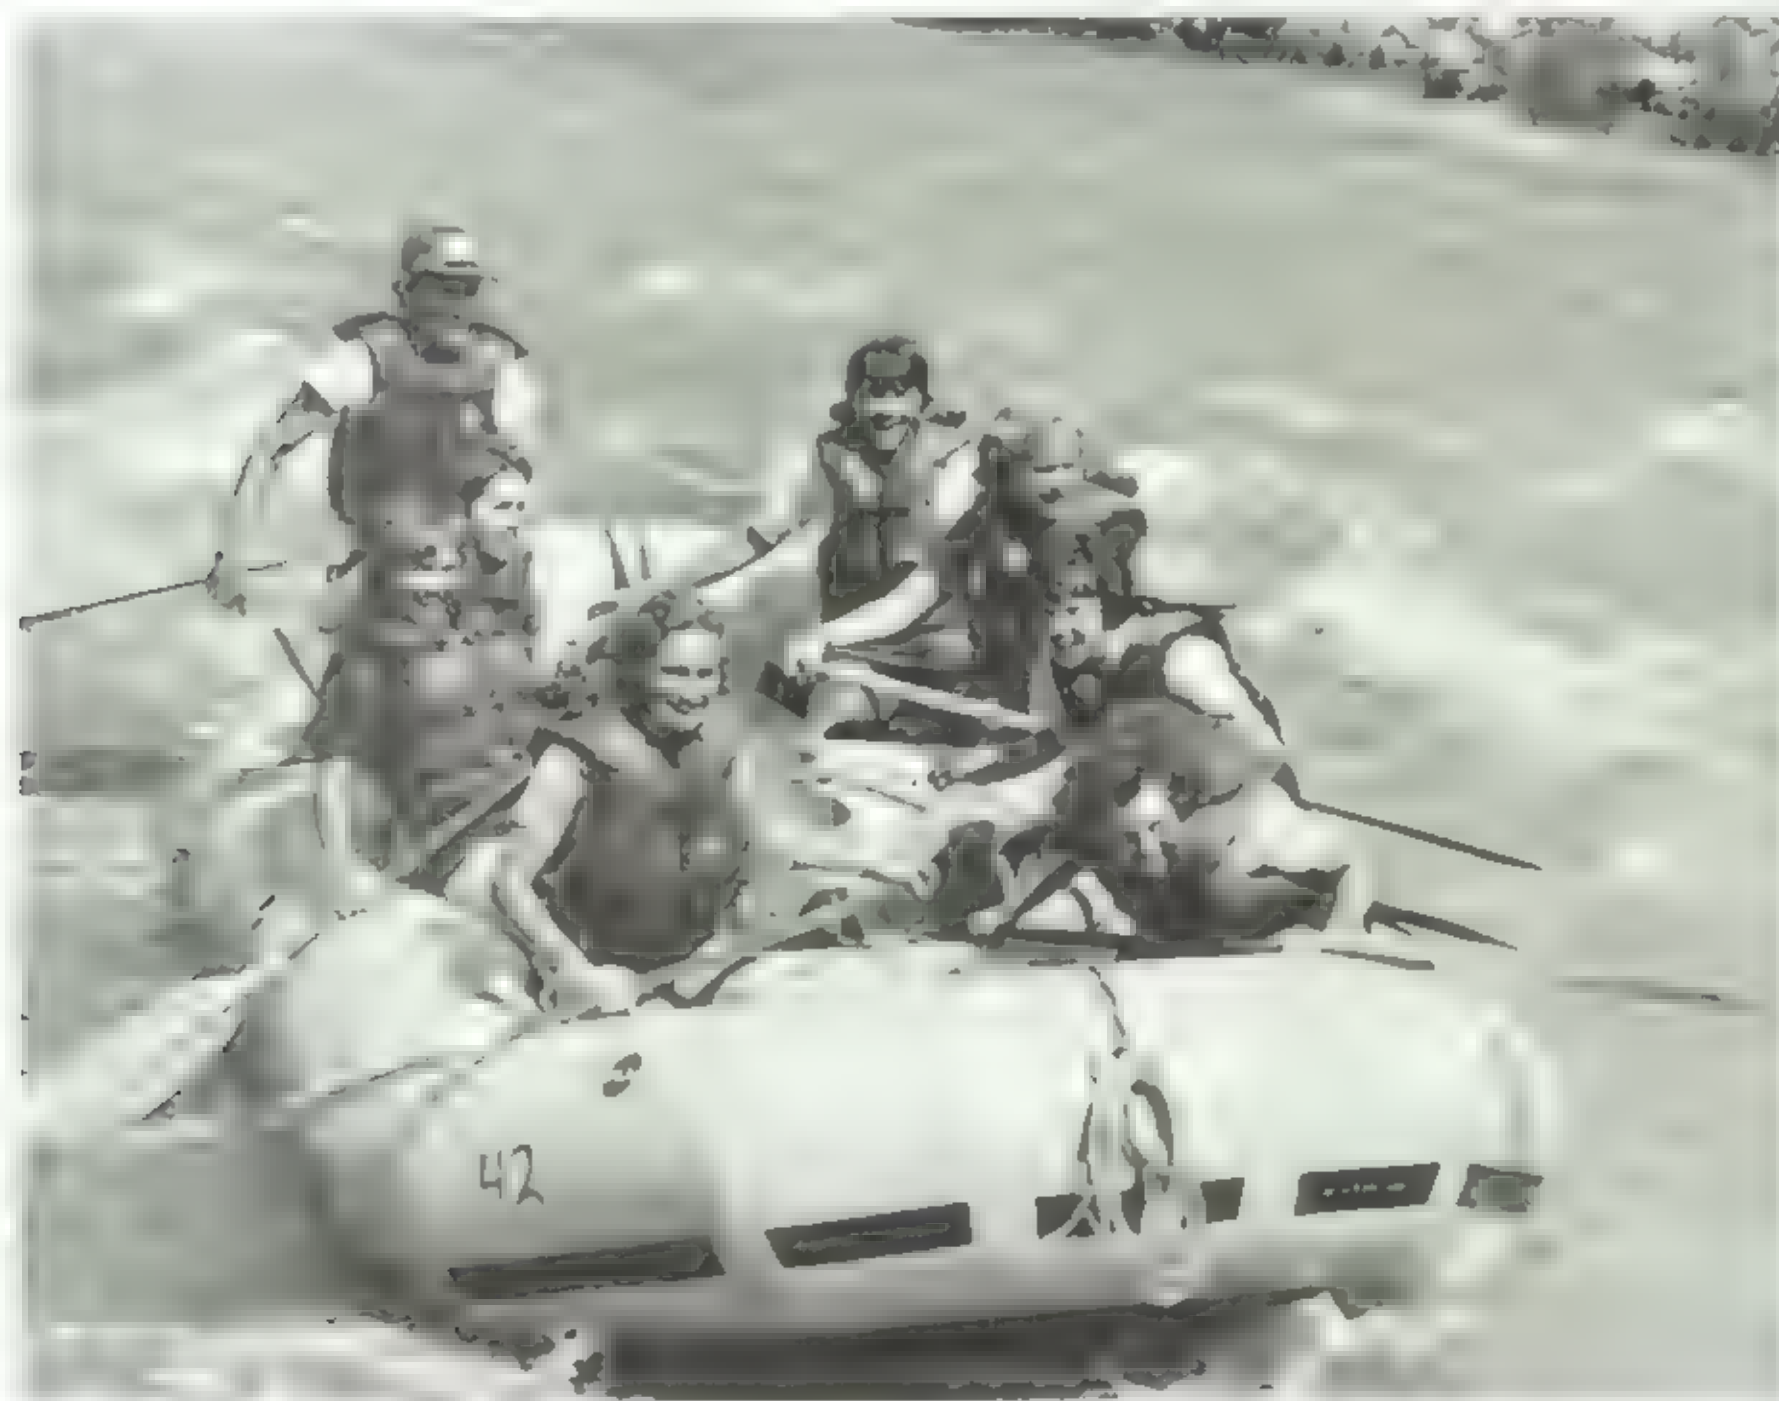

KEVIN BOSTIC — shootin' hoops with the boys.

MARK JARRETT — running over opossums with Jay Lewis and searching Myrtle Beach for the lonely hearts.

MRS. RAEMI EVANS — helping Mrs. Marioneaux with her daughter's wedding.

JULIE GOODNIGHT — partying at the beach with Kitty.

EVELYN BROWN — calling from Baltimore, Maryland and finding out that the Legion team lost to Concord by one run in the final inning.

Members of St. John's Youth Group go rafting in Colorado.

Eddie Murphy finds his way to America's heart with his witty humor

fads, music, cable and

Students got turned-up on collars, sweatervests, and pin-stripped jeans but others got torn on sweatshirts and skirts above the knee. Bandanas were worn from head to toe, and Aigner paraphernalia was strong as always. There were buttons and dangles for earrings with leather for pants and jackets. Buttons always sported a jean jacket or that favorite concert t-shirt. Keeping feet warm were Peter Pan boots that turned down and those that did not, as well as the latest leather pumps.

Music was a Thriller in 1983-84. No one ran from The Police while the whole Family enjoyed DeBarge. "Rappin' Rodney" and "The Curly Shuffle" added humor to the scene while Billy Joel and Bob Seger performed to sell-out crowds. One Band definitely filled The Gapp, and a British Club caused Culture-shock to the U.S. Everyone began to "Jump" for Van Halen, but they mourned the break-up of The Who. Prince rode into "1999" in his "Little Red Corvette" while Michael Jackson was unanimously named the musical act of 1983 with twelve Grammy nominations, the most ever in history.

Even though we've had a few people
 there for a while getting out of hand, I want
 to see you all for a few more years!

movies make '84 unique

Many Salisburians had their private Box Office at Home with Eddie Murphy's Special, Television with Music, and ESPN. The networks entertained the world with specials of John F. Kennedy and two clone shows, TV's Bloopers and Foul-Ups, Bleeps and Blunders. ABC horrified the world with The Day After. After MASH succeeded its twelve-year predecessor M*A*S*H, and Happy Days entered its eleventh season. Johnny Carson named Joan Rivers as his first permanent guest host, while Saturday Night Live remained a favorite of SHS students

The silver screen had The Right Stuff in 1983-84. Christine, a '57 Chevy, spoke of Terms of Endearment with her various owners. Risky Business was Scarface's job, and The Big Chill kept everyone Flashdance-ing. In the end the audiences agreed that waiting at the box-office was like playing War Games.

Peter Moore and his Jeep share a relaxing moment with friends

have wheels, will travel

Mustangs, Volkswagen Beetles, Sciroccos, Jeeps, Camaros, 280-Zs, Toyotas, and family gas guzzlers were the most popular automobiles of Salisbury's students. For 180 days students' pride-and-joys could be found at the SHS parking lot. Some of the teenage drivers ignored the carefully lined spaces and parked haphazardly, taking up two to three spots. Others pulled off the pavement onto the gravel, ground, or sidewalk.

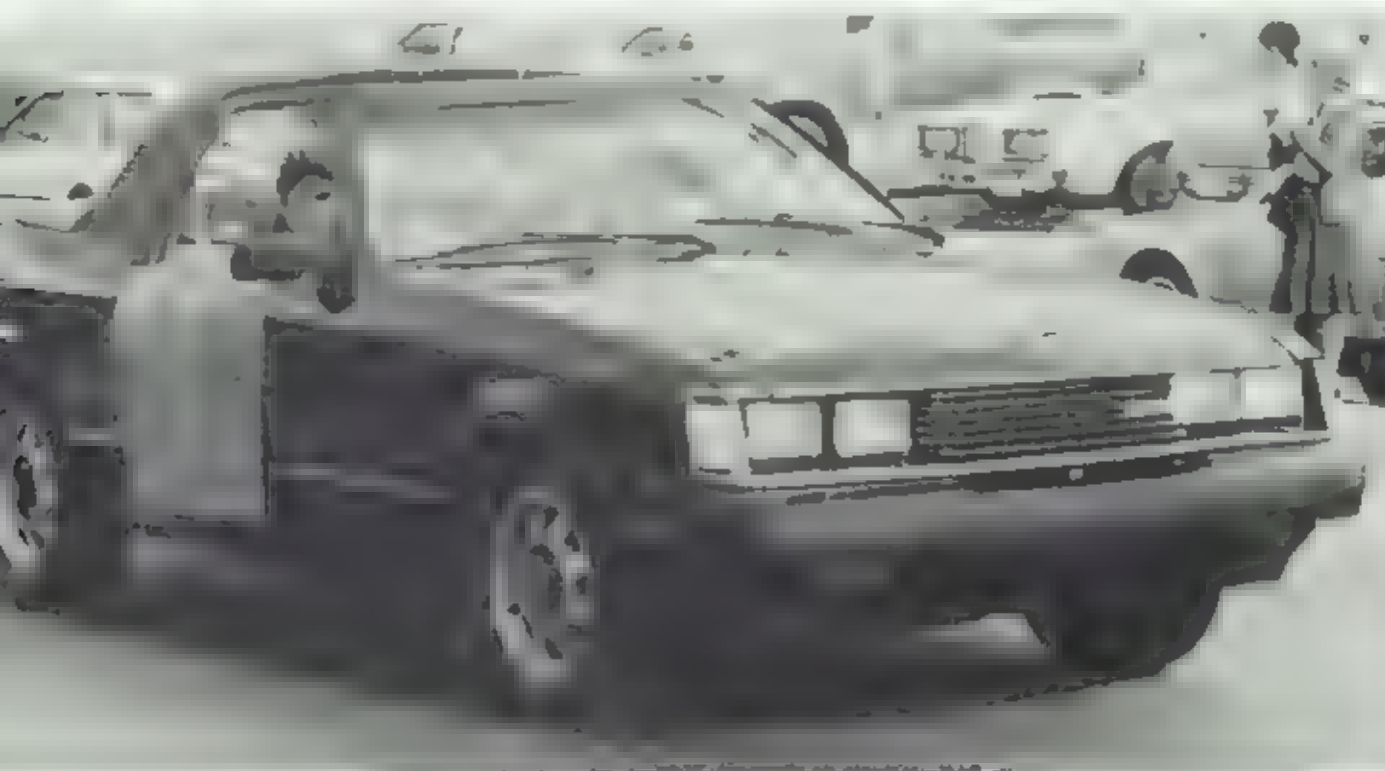

While a few students were lucky enough to get new cars, most received a family hand-me-down, or the best buy off the local car lot. Still others took turns driving their parents' car or bumming rides with their more fortunate friends. Almost all drivers complained about the price of gas.

A few students dished out extra money to personalize their cars with customized plates, boasting everything from "Crash" to "The Love Machine" to an abbreviated form of the driver's name. Bumper stickers reflected favorite schools, teams, and vacation spots.

Leaving the haven of automobiles at 3:05 was another adventure. Near-collisions were a matter-of-fact as students rushed to the Caldwell Street or Taylor Street exits.

working hard for their money

Working afternoons, weekends, and holidays became a way of life for many SHS students. Money for college, cars, clothes, gas and weekends headed the list of reasons for part-time employment.

Juggling school and a job was not always easy, but most of the young employees did not want to quit work. Many students remarked that they had quickly become used to the extra income and enjoyed all the fringe bene-

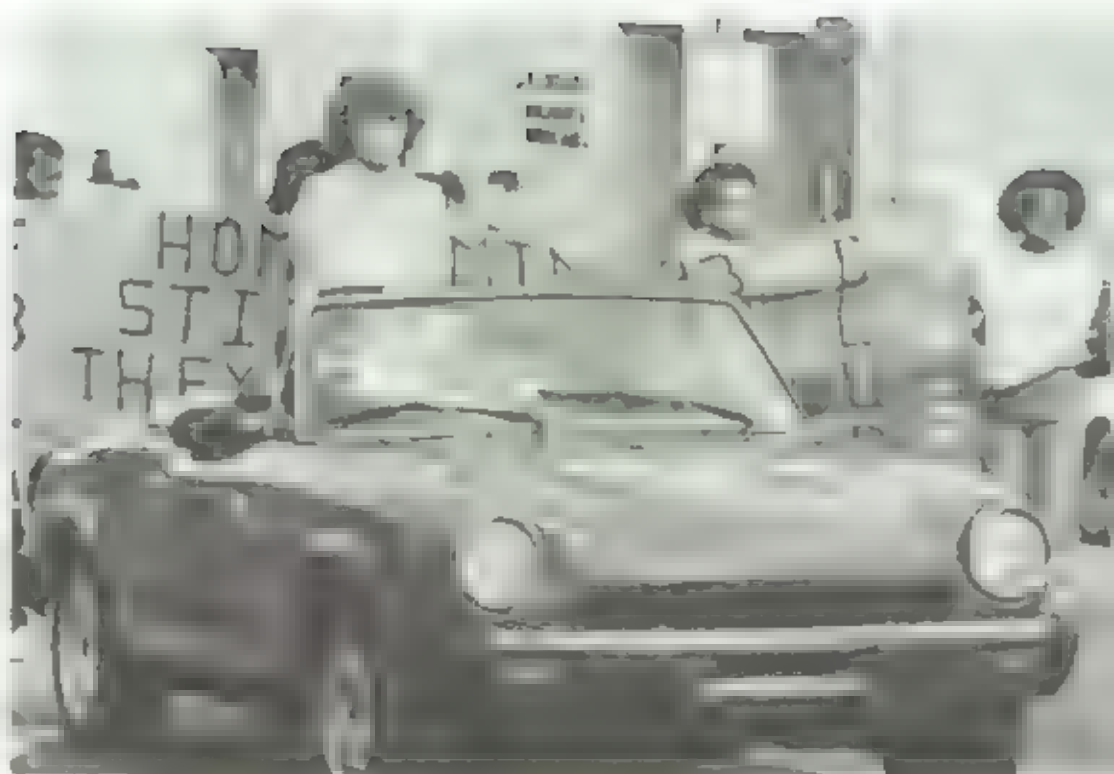

fits. "I love the discounts," stated Beth Alfonsi, a part-time worker at Zimmerman's.

Salisbury students added much to the work force of the city, holding jobs in restaurants, retail stores, and business offices. Several students took advantage of the Early Dismissal program and started work before their fellow classmates even left the campus.

The honor of being a member of the homecoming court was bestowed upon Donita

'blimey teddy, it's donita'

A bit of foreign culture was brought to Salisbury High School this year in the person of Donita Skilbeck. She was the school's foreign exchange student, coming to Salisbury from Melbourne, Australia. She shared some of the customs from her homeland with the students and learned what life in America was like. She also had a taste of American family life while living with the family of SHS student Amy Tannehill during her stay.

The first thing most people noticed about Donita was her distinct way of talking. Her Australian accent was quite a bit different than what most people were used to hearing. She explained what a vegemite sandwich was (yeast extract), and even gave out samples of this delicacy from Down Under. Instead of telling Polish jokes, she told the Australian equivalent—Irish jokes. She also told about Australian sports such as cricket and Australian-rules football.

A completely new vocabulary was introduced by Donita during her stay. A passerby in the hall would be greeted with a cheerful "giddy mate" as he walked past her. New words conveying triumph, such as "bonza-mate" and "grouse" were repeated. Also, commonplace objects like skirts (jumpers) or even the hood of a car (bonnet) were renamed by the visitor from Down Under. Instead of eating dinner, Donita "had tea," and rather than say 'oh my goodness,' she exclaimed "blimey teddy!" But she tried not to waffle (ramble) too much in her strange language and was usually understood when she said something.

While at SHS, Donita became very active in the activities which it had to offer. She was a member of the AFS club, of course, and served as the vice-president of the club. After surviving a rigorous initiation process of the Junior Civitans, she was welcomed into the club. She was also part of TWA Dramaticus. Throughout the year she had major roles in numerous plays. Every Wednesday, she and three other French students went to Isenberg School to teach French to first graders there. But her favorite activity during the year was being a member of the homecoming court. "It was the highlight of my year," Donita exclaimed of this honor.

Donita said that she really enjoyed the opportunity she had to come to America and hopes to return again. Her plans in Australia included finishing her remaining year and a half of schooling. Her ultimate goal is to one day become an actress.

In her spare time, Donita plays photographer

juniors win during homecoming week

October 14 marked the climax of homecoming week festivities. Students had worked for five days on floats, banners, and spirit chains

On Friday the traditional parade down Main Street featured queens, floats, and banners. After the introduction of the queens at half-time, the class floats were paraded around the track as winners were announced. Juniors, with the theme, "Eagles Take A Dive Here Comes The Hornet Hive," captured first place; sophomores, second, freshmen, third, with seniors taking fourth

Banner winners were also announced. Junior Civitan took first with the theme, "Hit Me With Your Best Shot," and a live bird; Keywanettes, second; and the Junior Classical League, third.

Juniors also seized first place with their black spirit links. Seniors claimed second; freshmen, third; and sophomores, fourth

The homecoming dance at the Salisbury Civic Center was the finale of the week. The Big "B" from WNDN was the D.J.

The parade down Main Street is a big attraction for everyone

queens for a day

After being nominated by the senior football players and elected by their class, fifteen senior girls served as the 1983-84 homecoming queens for the night of October 14.

Narrator Rev. Joseph Spears highlighted the court's activities by introducing the girls to the spectators at half-time. Mrs. Raemi Evans directed the procession of the court and their escorts.

The queens graced the homecoming parade wearing evening gowns and riding in convertibles driven by their escorts.

The queens also reigned over their senior homecoming dance.

The homecoming court for 1983-84

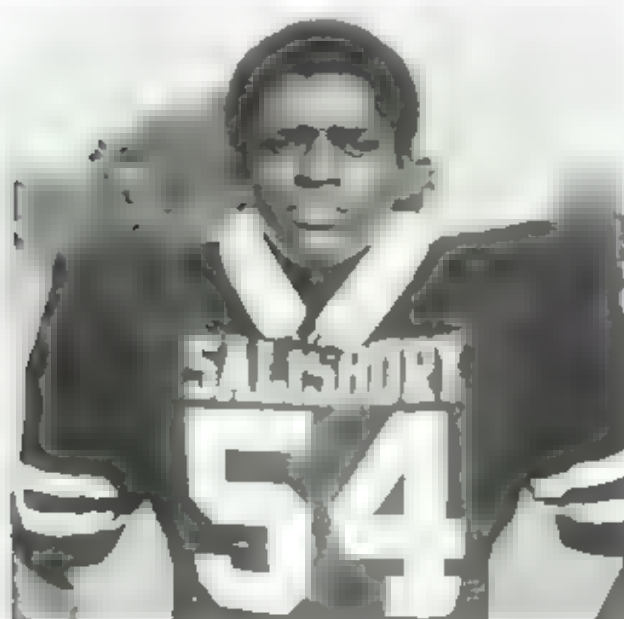

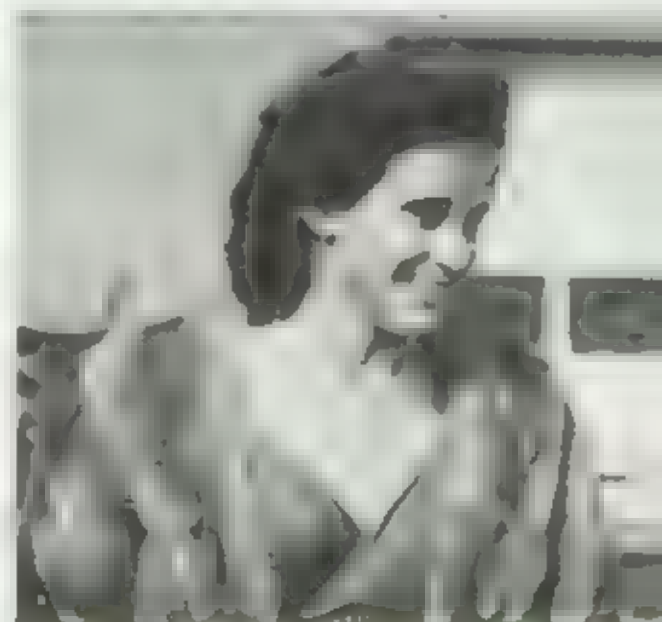

top twenty lead class

In years past, Salisbury High School has had many outstanding seniors. 1984 was no exception. There were over 40 seniors whom the teachers felt were worthy enough to be nominated for recognition as a top senior. Each department selected ten students. All those students were then placed on a ballot. The top twenty vote-getters were recognized to be the outstanding members of the class of '84. They were selected for their excellence in academics, the arts, athletics, citizenship, leadership, and service.

Top senior Allison Rice battles an East Rowan player for a rebound

As treasurer of the senior class and president of Junior Civitan, Laura Bernhardt proved she was able to handle the responsibilities associated with these positions. She attended Girls' State and was a member of the homecoming court. She took AP calculus and was a junior marshal co-chief. She was nominated for both the Morehead and NHS scholarships. She was a member of student council and served on the citizenship committee. She also participated in French Club, PEGS, and on the drill team.

A participant in football, wrestling, and track, Rayford Canon displayed his athletic talents year-round. As a defensive lineman in football, he pounded opponents and earned respect, gaining All-Rowan county honors. As a wrestler, he was a star, winning most of his matches and being named as an All-North Piedmont Conference selection. As a member of the track team, Rayford was an outstanding competitor. He was a top finisher in the high jump.

As a member of NHS, Ginny Clay used her talents by tending to duties as corresponding secretary. She was a member of student council and of AFS. She made the honor roll and was part of the AP calculus class. She had the honor of serving on the homecoming court and she participated in band for three years. Ginny was the chaplain of Junior Civitan for two years and was also a member of French Club.

By using his scholarly and artistic abilities, Roger Durkee established himself as a leading member of the senior class. He became a member of NHS by virtue of his continual presence on the honor roll. He was one of the members of the AP calculus class, and his high academic standing led him to be selected as both a junior marshal and a junior Rotarian. He was a fine artist and received many awards for his works.

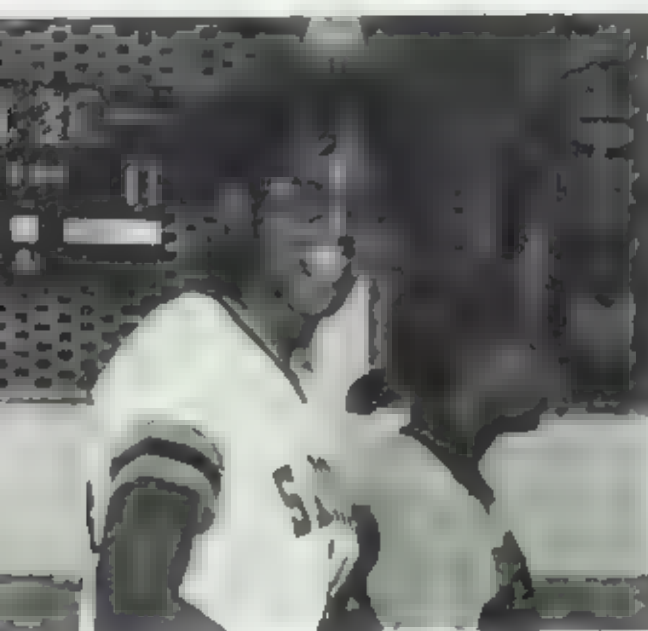

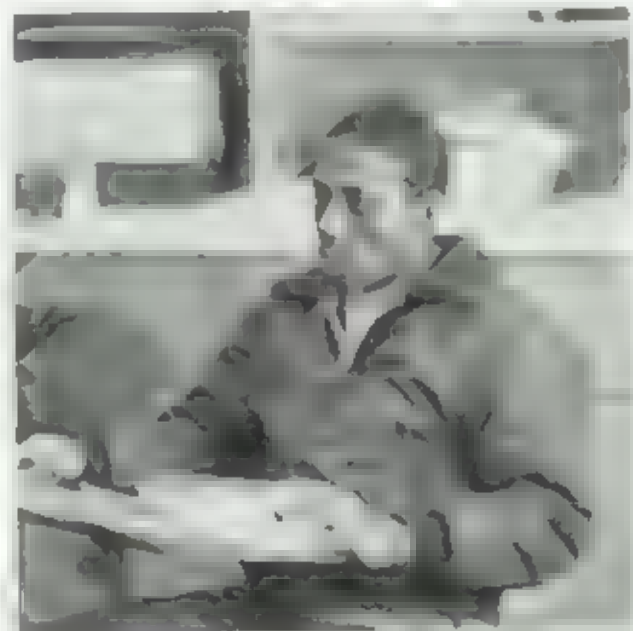

During his high school career, **Kevin Bostic** displayed his athletic prowess. He was a starter at tight-end on the football team and ran track all three years. He was a member of the varsity basketball team as a sophomore and by his senior year, was a star performer. During his final season, he led the team in both scoring and rebounding. As a sophomore, Kevin sang in the chorus, and during his junior year, he served as a homeroom representative for student council.

Leadership, scholarship, and athleticism were all three combined in the person of **Jeff Boyd**. He served on the student council for three years and was class president in his junior year. He developed his athletic abilities through his participation in football and track; and he was talented enough to letter in both of these sports. He took part in the honors assembly and attended Economics in Action. Jeff's other activities included chorus, ensemble, and Spanish Club.

One of the best athletes at SHS, **Michael Boyd** was outstanding in both football and wrestling. A stand-out defensive lineman, he was recognized by being named recipient of the 110% award at the fall awards assembly. He was even more accomplished as a wrestler. During his junior year he went to the state tournament. As a senior, he was undefeated in regular season action and went on to compete in the state tournament again, as SHS's lone representative.

The academic talents of **LaTanya Hart** were recognized through her induction into NHS during her senior year. She was very active in sports, partaking in volleyball, basketball, and track. She also received awards for her outstanding athletic performances. She attended Economics in Action as a junior, and was a member of the orchestra. LaTanya was in student council for three years, and was a member of the Keywanettes and French Club.

The high academic and citizenship standing of **Gwen Holshouser** brought her recognition and acclaim at SHS. She was a member of the honor roll during all three of her years. During her junior year, she was honored by being named the winner of the Salisbury Women's Club's annual award for superior citizenship. A prominent member of the band, Gwen marched during each of her three years at SHS. She was also a member of the French Club, AFS, and Junior Civitan.

A diversified student, **Joe Jackson** used his talents in every aspect of SHS life. A member of the NHS and AP English and calculus classes, he was also a gifted athlete in football and tennis. He was selected as a Morehead nominee and a junior marshal, and attended Boys' State. He presided over the Key Club during his senior year. As a junior, he served as second vice-president of the Student Association. Joe's musical ability was recognized through his selection to All-State orchestra.

As a member of All-State band, Lynn Lippard represented SHS well as he exhibited his musical talents. He participated in the band for three years and was a member of the French Club. He was an outstanding student, as was exemplified by his membership in NHS. He was able to attend Boys' State and was selected to serve as a junior marshal at the 1983 graduation. As a senior, Lynn was named a junior Rotarian and participated in AP calculus.

During her sophomore year, Teresa Moore had the unique opportunity to serve as a Senator's page. A member of student council, she also was a Student Association committee chairman. The honors of serving as a junior marshal and being nominated for the annual scholarship given by NHS were bestowed upon her. She also participated in the AP calculus program, Junior Civitan, French Club, AFS, and band were some of Teresa's additional activities.

As vice-president of NHS and recording secretary for Junior Civitan, Beth Parker demonstrated her leadership capabilities. She was a junior marshal and a member of the AP calculus class. She was a member of the drill team and band, and served as a teacher's assistant. She was elected to the homecoming court and to the position of Key Club Sweetheart. She displayed her athletic talents every year by playing tennis. She was also a member of AFS and Spanish Club.

By serving as vice-president of the class during her senior year, Crystal Sadler proved her leadership abilities. She was corresponding secretary of the French Club and president of Quill and Scroll. A member of both the Hornet and Echo staffs, Crystal was also the school's Teen Page reporter. She was also a member of the Keywanette and AFS clubs. Her academic abilities were visible by her presence on the honor roll. She displayed her acting abilities by taking part in TWA Dramaticus productions.

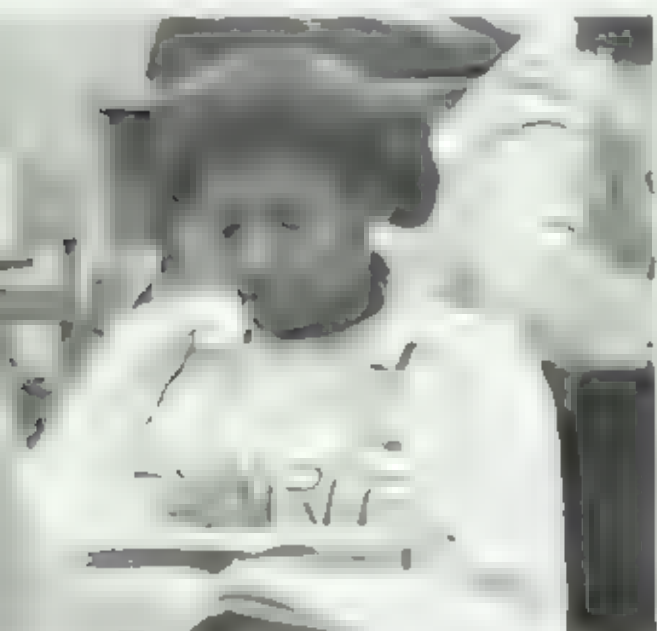

The academic and leadership abilities of Elizabeth Scheld were exemplified in many ways. She was in both AP English and calculus and on two quiz bowl teams. She was inducted into NHS and served as a junior marshal, and had a three-year stay on the honor roll. Elizabeth used her leadership abilities by serving as a Student Association member. Her additional activities included being a Junior Classical League and an FBLA club member and attending SPEC. Her musical abilities were evident through her participation in the band.

The drum major for the band for two straight years was Lois Stirewalt. She participated in student government as a student council and a Student Association committee member. She attended Girls' State and made the honor roll. She served as vice-president of FBLA and as Sergeant-at-Arms for the French Club. She was on the Council of the Elders for JCL and was a member of Junior Civitan.

The girls' basketball team was led to its best-ever record during the 1983-84 season by Allison Rice. She was the team's playmaker and leading scorer. She also showed talent in other sports such as tennis, where she was named most valuable player. She participated in student council and served as a committee chairman for the Student Association. She was named to the homecoming court and was a member of Keywanettes, chorus, and ensemble.

Jane Wilson, Lois Stirewalt, and Gwen Holshouser interpret one of Shakespeare's sonnets.

The only Morehead finalist from SHS was Kathy Streiff. She served as president of NHS and secretary of Junior Civitan. She established PEGS and was a co-chief for the junior marshals at the 1983 graduation. She was a member of the homecoming court and made All-State band for three consecutive years. She also participated in both the AP English and calculus classes. Kathy ran track and was honored as most improved tennis player for the 1983-84 season. She was a member of the drill team and French Club.

During her three years at SHS, Kim Trevey distinguished herself in many ways. For two of those years, she served as her class's treasurer. She was a member of the student council and was a Student Association committee chairman. She had the honor of being an NHS member and was selected to attend Girls' State and Economics in Action. She was the captain of the drill team and played in the band. Her other activities included being a French Club and Junior Civitan member.

Spirited leadership was provided by Jane Wilson. She served as vice-president of the Student Association and as a student council homeroom representative. She had the experiences of being a governor's page and of attending SPEC and Girls' State. She served as captain of four different cheerleading squads at SHS and won the most dedicated cheerleader award for the 1983-84 football season. Jane was also a member of Junior Civitan and band, and she made the honor roll consistently.

if it's tuesday, it must be paris

The Highlands of Scotland, Buckingham Palace, Stonehenge, the Eiffel Tower, the Swiss Alps, McDonald's in Heidelberg, and Amsterdam's Red Light District were just a few places that Linnea Litaker, John Brown, seven female students from SHS, one teacher and three students from A.L. Brown—Kannapolis and one student from North Rowan visited in the summer of '83.

1983 graduates Jann Arey and Polly Ketner; seniors Kris Allman, Karen Carpenter, and Beth Parker; and juniors Joni James and Amy Smith comprised the SHS group that traveled to six European countries in 18 days.

The tourists began in London with a full day of sightseeing despite having jet lag. The Salisbury tourists got their first taste of what the trip was to hold: Big Ben was being cleaned and scaffolds marred the spectator's view. "All of Europe was in repair," remarked Linnea Litaker after returning from the trip.

The group's whirlwind tour of Great Britain included one week in England and Scotland, and a day-trip to Wales. The ferry then transported the Americans to France where they visited the Moulin Rouge and other popular sights. Geneva, Switzerland was the next stop. A shopping spree resulted in students taking home everything from Swiss watches and clocks to rich Swiss chocolates. With Germany came the friendly sight of McDonald's and the purchasing of German steins. Then it was on to the land of water, Holland, where the Salisburians visited a goat farm, cheese factory, and diamond cutters.

Returning to London, the students had a free day to do whatever they wished. Some visited the Tower of London, and Hyde Park, while others shopped for last minute gifts. Heading back to the States brought mixed emotions, but most of the travelers said they wanted to return to the Old World again sometime.

performers, students make their mark

Musical and academic competition garnered awards and recognition for orchestra and Quiz Bowl participants. Orchestra teacher Nathan Artley awarded Elliott White most improved award; Sandra Burton, the most valuable award; and Anthony Restar, the most improved sophomore (of last year). Joe Jackson, Tim Gudger and Becky Morgan were chosen to be in All-State Orchestra. The

Orchestra students had a successful year indeed.

Joe Jackson, Johnny Wilson, Elizabeth Scheld, Robert Eichelberger, Richard Wu and Billy McBrine participated in the Quiz Bowl. They competed in February against North Hills, West Rowan, East Rowan, South Rowan and North Rowan. North Hills won the competition. Salisbury participants were directed by Dale Basinger.

The Salisbury Women's Club honored Donita Skilbeck, Rodney Graham, Katre Wilkerson and Bettina Lowery for their artistic achievements

summer toasts excellence

The genius of the arts survived the summer. While most students basked in the summer sun, a few select representatives of SHS attended the prestigious Governor's Schools, the Southern Piedmont Educational Consortium workshops, or labored at home on award-winning pieces of art.

After passing screening boards and entrance requirements, six SHS students attended Governor's School Courses ranged from philosophy to the sciences. Jean Sutton pursued mathematics, and Cheryl Gheen studied dance at Salem for the six-week period. At Laurinburg, Beth Alfonsi and Johnny Wilson detailed artistic creations, Gus Cothorn furthered his voice training, and Mary Jo Steimel intently investigated the natural sciences. All was not serious, however; trips to Pizza Hut and other such excursions broke up the work.

For a briefer two-week period eleven SHS students ex-

perienced college life on the campuses of three area colleges. Evelyn Brown, Rae Eagle, Meredith Chambers, and Patrick Palumbo pursued technical advancements at Catawba College; Elizabeth Scheld, Judy Lawrence, and Kate Owen demonstrated their mastery of the humanities; and Kelly Dillon, Missie Ross, Wayne Thompson, and Marie Warlick endeavored in the arts. S.P.E.C. participants visited each college—Catawba, Wingate and Pfeiffer—got involved in the program, viewed movies, and pursued the issue of leadership.

Back in Salisbury, the SHS art department was again preparing another award winning year. When the results of the Scholastic Art awards were published, five SHS students' names were there. Donita Skilbeck, Missie Owens, Somsanuk Siharath, Kelly Brown, and Johnny Wilson all earned an award for their effort.

Elizabeth Scheld, Judy Lawrence, Evelyn Brown, Rae Eagle, Patrick Palumbo, Meredith Chambers, Kate Owen, Kelly Dillon, and Missie Ross all clowned around like this at S.P.E.C.

Scholastic Art Award winners show the cultural side of SHS

students practice politics, business

The summer of 1983 held the opportunity for many students to experience government and business activities. SHS seniors participated in Girl's State, Boy's State, and Economics in Action.

The American Legion Posts in Salisbury sponsored the Boys' and Girls' Staters from SHS. Wake Forest University was the site for the Boys' State program, while female Staters resided at UNC at Charlotte. The Boys' and Girls' Staters were divided up into "cities" where they elected city officials by breaking up into either the Nationalist or Federalist parties and carrying out the electoral process. Students received assignments and reported to either the Senate or House of Representatives. The Staters proposed and passed laws in the mock legislature.

For three days, seven students from SHS attended the Economics In Action program conducted at Catawba College. Forty students from throughout the county participated in the program. The students lived in Catawba dorms and visited Salisbury businesses during the day. They also saw computers in daily use and discussed the importance of computers in the business world.

Lynn Lippard gets back into the swing of things after Boys' State

The 1983 Boys' and Girls' State participants are the following: Jane Wilson, Kim Ford, Lynn Lippard, Laura Bernhart, Joe Jackson, Clay Lindsey, Kirsten Vandergast, Craig Rhyne, Dana Crocker, Kim Trevey, Lois Stirewalt, Chuck Goodwin, William McCray and Peter Moore

scholars recognized

There were many organizations and honors at SHS which gave recognition to some of the top students. Top members of the class of 1984 were nominated for numerous scholarships. Other students were honored by being chosen to be Junior Marshals or Junior Rotarians.

Three people represented SHS in competition for the University of North Carolina at Chapel Hill Morehead Scholarship award. Laura Bernhardt, Joe Jackson, and Kathy Streiff were chosen to contend for the scholarship on the basis of their high academic standing and their participation in extracurricular activities. Kathy was selected to be a finalist. Joe was also chosen to compete for the Edward Crossland Stuart Scholarship given by Davidson College and he reached the semi-finals. The National

Honor Society elected two of its members to try for the nation-wide NHS Scholarship. Laura and Teresa Moore were the people who were chosen.

The top ten members of the class of 1984 were picked to serve as Junior Marshals at the 1983 graduation ceremonies. Laura Bernhardt, Joe Jackson, Beth Parker, and Kathy Streiff were appointed co-chiefs for having the highest grade point averages.

The top ten boys in the senior class were honored by being chosen to be the Junior Rotarians from SHS. Every Tuesday, one or two boys would attend a Salisbury Rotary Club meeting. Each boy was required to attend four meetings during the year.

athletes honored

The 1983-84 awards banquet was held at the end of the year, instead of having three separate banquets throughout the year. Awards assemblies were held to honor the deserving athletes at the end of each sport season.

The following were the award winners for the fall athletic season. Cheerleaders: Most dedicated, Jane Wilson; Most spirited, Jenny Brooker. Football: Twelfth man award, Tony Wells; 110% effort award, Michael Boyd; Most improved, Peter Moore; Best offensive lineman, Todd Askew; Best defensive lineman, Rayford Canon; Best offensive back or end, Thomas Mashore; Best defensive back or linebacker, Aaron Miller. Cross-country: Most improved, Cuong Vo; Most valuable, David Basinger. Volleyball: Most improved, Elizabeth Hood; Most valuable, LaTanya Hart. Tennis: Most improved, Kathy Strieff; Most valuable, Allison Rice.

The spring sport award winners for the 1983 season were as follows: Baseball: Most valuable player, Jerry Page; 110% award, Drew Sylvester and Bill Adams; Best defensive player, Terry Perkins and Kris Huffman; Coaches award, John Peoples; Most improved, Fuzzy Hardister. Boys' Tennis: Best field performer, Cullen Jordan; Best runner, Thomas Mashore; Most valuable player, Bruce Titus; Most improved, Luke Burge. Golf: Most Valuable Player, Wook Yang; Most improved, Stan Dunham. Girls' track: Best field performer, Tami Wynruit; Best runner, LaTanya Hart; Most improved, Karen Hairston. Boys' Tennis: Most valuable player, Gib Johnson; Most improved, Neill Fox. Softball: Most valuable player, Pam Armstrong; Most improved, Marie Warlick.

Steve Lippard gives baseball star Kris Huffman a few pointers.

Winter sports award winners are: Best Defensive—basketball, Kevin Bostic; Most Improved—basketball, Booter Smithman; Most Valuable—basketball, LaTanya Hart; Most Dedicated—cheerleading, Tami Wynruit; Most Improved—wrestling, Wylie Wells; Best Defensive—basketball, Allison Rice; Most Valuable—wrestling, Rayford Canon; Most Spirited—cheerleading, Judy Lawrence; Most Valuable—wrestling, Michael Boyd; (not pictured) Most Improved—basketball, Jeanette Taylor; 110% award—wrestling, Prescott Ellis and Peter Moore; Most Valuable—basketball, Larry Miller.

OVERALL 4-6, NPC 3-5

hornets improve under new head coach

It seemed that the season was going to be one of victory for the team and new head Coach Roger Secreast. They got off to a good start by winning three games straight after their opening loss to Concord. The Hornets bounced back to defeat East Rowan, Asheboro, and North Rowan by decisive margins.

The win over Asheboro got the Hornets ready for more victories. Salisbury was behind 3-0, with time running out in the fourth quarter. Stan Dunham tied it up with a 34 yd. field goal. The game was sent into overtime. The Hornets scored first from the 10 yd. line on a third down play. The defense went on to keep Asheboro from scoring, helping the Hornets win 10-3. But Salisbury had yet to defeat an important inter-county rival.

Salisbury went into the North game fired up. They led 6-0 at the half, and went on to add 14 points in the second half, to North's final score of 6.

The following week Salisbury had a chance to tie Thomasville for first place in the NPC by defeating the Black Knights of North Davidson. The Hornets scored twice to make the score 14-7 at halftime. In the fourth quarter, with time running out, North

Davidson got two quick scores to defeat the Hornets 17-14.

Nevertheless, the Hornets came one step closer to a possible playoff spot when they defeated Trinity 23-0.

Unfortunately, they went on to lose to Davie County the following week in spite of faithful parents, fans, and alumni, who had gathered for homecoming 1983. The final score was 26-5, a disappointing tally for homecoming.

"An exciting season and a knowledgeable one too, but disappointing. I learned a lot."
—Coach Secreast

Had they pulled an upset victory over Thomasville, the Hornets could have had a playoff spot. Thomasville scored 27 points in the first half. At halftime Coach Secreast told the team, "I'm not going to say it is impossible to score 27 points in the second half. But if we cannot score 27 points, I want the Thomasville players to wake up tomorrow knowing that they played the Hornets the night before."

The Hornets did not allow a single score in the second half. Thomas Mashore scored from 8 yards out in the fourth quarter and a two-point conversion made the final score 27-8.

The Hornets had one last chance to make the playoffs, but they had to defeat a strong Lexington team. Lexington had a lead at the half, with 21 points. The Hornets rolled up 14 unanswered points, which fell short of a Hornet victory. This loss wiped out any chances for the Hornets.

The Hornets still had an important inter-county rival: the Falcons of West Rowan, who held off a late Hornet rally and won 14-13.

One positive thing did come from the season. Hornets improved over last year's mark of 3-7, to 4-6. They also got the bragging rights until next year with the upset win over North Rowan.

Coach Secreast commented on the season by saying, "An exciting season and a knowledgeable one too, but disappointing. I learned a lot."

OVERALL 5-5, NPC 4-4

freshman players join j.v. squad

The junior varsity squad broke even in the 1983-84 season, with a 5-5 overall record, and a 4-4 conference record.

The team started out slowly, but from week to week improvement could be seen, in the players and the team as a whole. They did well, considering that the squad could not spend practice time on the j.v. only. They were, however, a well-disciplined team with good talent and players who wanted to win, observed student manager Davy Peninger.

The junior varsity team, like the varsity, lost many 'heartbreaking games. Against the Thomasville Bulldogs, the game seemed to be a victory for the Hornets with time running out until the Bulldogs scored and won 16-14; however, the coaching staff was very pleased with the perfor-

mance of the team.

The Lexington game was another tough loss. In that game, the junior Hornets appeared the victors over the eventual conference champions. However, with time running out, the Hornets fumbled the ball, and Lexington scored, winning it 28-24.

The team also had its share of big victories. Against North Davidson the Hornets scored early and maintained the lead throughout the game. Chico Colson kicked a 37-yard field goal to give the Hornets the early lead. Later in the game Andre Alexander returned a punt for 70 yards and a Hornet touchdown. The Hornets won 22-13.

The game against Trinity got blown away 49-7; this was the Hornets' largest point margin of the season.

In the West game, The Hornets

showed improvement from their first game against Concord. The Hornets played much better than the final score of 14-13 reflected.

Greg Mashore and John Rouzer led the Hornet offense to 173 total points. Ashley Smithman, Johnny Roderick,

"We have a good base to build on." — Coach Sexton.

Carl Carpenter, and Rob Benton opened the holes for the backs. They were known as Patton's Piglets.

Coach Sexton was quite pleased with the junior varsity squad. He said, "We wound up 5-5. We played well at times. We have a good base to build on."

varsity hornets have 10-14 record

The 1983-84 Varsity Basketball team was only able to produce a 10-14 record, but the fans felt no lack of excitement from the season.

The Hornets were losers by small margins and played in several overtime games. They were stung during

"When we really had a chance to help ourselves, we were our own worst enemies."

—Coach Hellard

the season by four tough losses to inter-conference rival North Rowan, two regular season losses, a tough defeat in the Christmas tournament at Catawba, and the hardest loss of all to swallow, a 64-58 loss in the North Piedmont Conference Tournament. In that game, the Hornets fought back from a 13 point deficit to close the

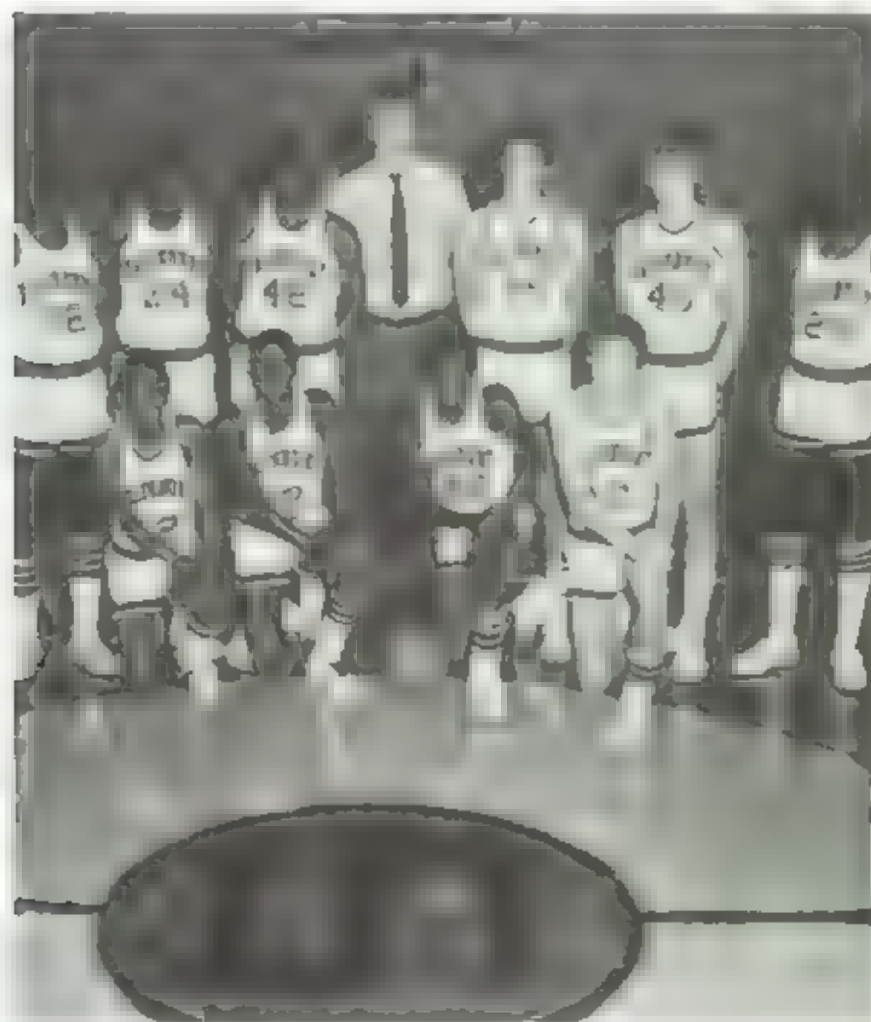

gap to three behind; the hot shooting of Gerard Giles turned in one of the county's top performances of the season, scoring 23 points and grabbing 11 rebounds. In the end, however, the Hornets were killed by their season-long nemesis, the turnover. Coach Hellard seemed to sum up the entire season in his post-game comments. "It was this way for us all season. We played really well for the first quarter and a half, and overall this was one of our best games of the year," he said. "But this was an intense game, where you couldn't afford to make mistakes. It seemed like every time we gave up the ball, North made us pay the price."

The season was not without its stars, however. Kevin Bostic was the leading scorer, averaging over ten points a game and bringing crowds to their feet all over the county with fre-

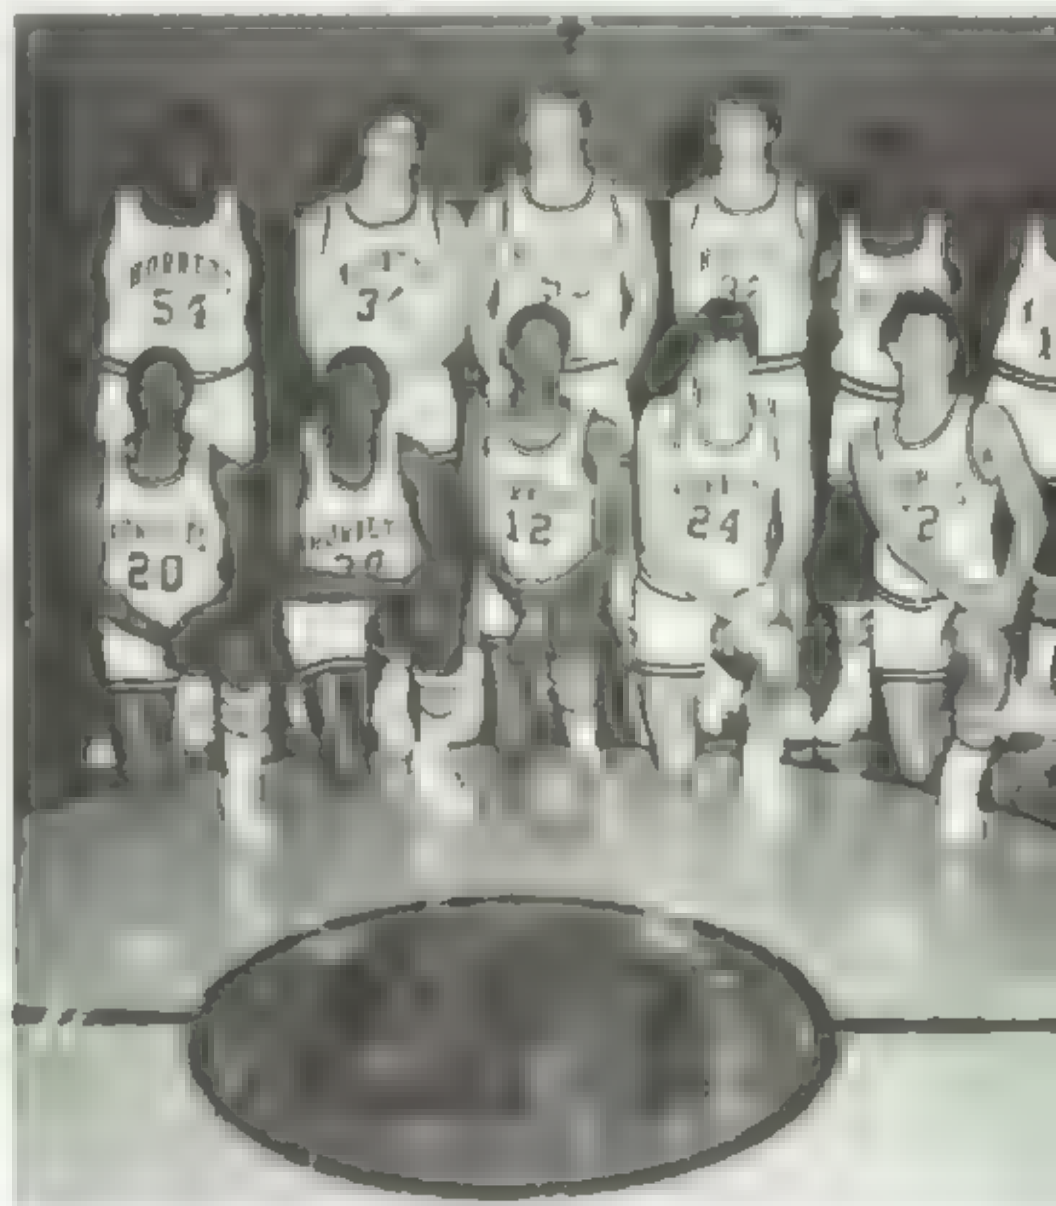

quent slam dunks. Giles was also a valuable offensive player and was sorely missed when he sat out several early season games with a leg injury. Cress Goodnight was another supplier of offensive punch. Keith Rankin was a leading scorer off the bench. Booter Smithman played a key role defensively and was a strong rebounder.

The Hornet Varsity basketball season was marred by mechanical flaws such as the missing of key free throws and excessive turnovers. Coach Hellard summarized the season by stating, "When we really had a chance to help ourselves, we were our own worst enemies."

The junior varsity squad, which finished at 13-7, was led by Kevin McClain and Ashley Smithman. The team was hurt by an early season arm injury to Brent Blake.

TEAMS SET RECORDS

awesome eight dominate

District V Champions!!! The SHS Lady Hornets defeated the Asheboro Comets to win the District V Championship game. Never before has any Salisbury High girls' basketball team advanced as far as the 1983-84 team did.

First off, the Lady Hornets set a school record for the most conference wins: 15. Second, the team fought its way through the NPC tournament to finish in a strong second place slot. Third, the awesome 1983-84 "Green Machine" cast away all other teams to finish with the District V championship. Aggressive defense, startling quickness, and numerous successful fast breaks paved the way toward the successful season of the Lady Hornets under the leadership of coach Conrad Green. In regular conference play, the team ended with a 15-9 record, and overall they finished with 20 wins and 9 losses. Senior captains and all-county players LaTanya Hart

and Allison Rice helped shape the team from the start and provided leadership and encouragement to all. Coach Green, in his second year as head coach, summed up his team's season by stating, "They showed what it takes to be champions, winners."

"They showed what it takes
to be champions, winners."
—Coach Green

A couple of the impressive wins during the regular season were against East Rowan, during the Christmas tournament and against Davie County. For example, the game against the War Eagles went through a triple-overtime before the Lady Hornets pulled away a sound 42-36 victory.

By mid-season, the team was dubbed the "awesome eight" be-

cause there were only eight determined players left on the team; nevertheless, the team became close friends as well as teammates. They pulled together and strived to make their coach proud of their successful, record-breaking season.

The j.v. girls ended their season with a 5-9 record. Coach Francee Eagle felt that the team was one of the best in the conference and was very exciting to watch. Their biggest win was against Asheboro. The j.v. Hornets slaughtered the Comets 71-35. By scoring 71 points in a single game, the team put themselves in the SHS record book. Coach Eagle credited the team's five victories to their strong defense, positive attitudes and support for one another both on and off the court.

She stated, "I am very proud of these gutsy, hardworking girls, and I am sure they will represent SHS well in the future."

MRS. EVANS SUMS THEM UP:

'perfection personified'

Being of two different squads was the case for the varsity cheerleaders. Aided by Mrs. Raemi Evans both squads displayed a great amount of school spirit.

Long, hot hours of practice were routine for the football cheerleading squad. Preparing for summer camp taught by the International Cheerleading Foundation staff at the University of North Carolina at Chapel Hill was a lot of work, but as Jane Wilson, captain, put it, "The hard work really paid off." The group brought home a second place in the overall championship and many spirit awards. The individual spirit award was given to both

Wilson and Janine Evans, co-captain, with Wilson receiving it for the whole week. Leading the group along with Wilson and Evans was Kim Ford, another co-captain. Jenny Brooker, Kitty Comer, Dana Crocker, Meredith Hodge, Sally Hubbard, Kirsten Vandergast, and Stephanie Wellington made up the rest of the award-winning squad. The girls also attended a Cheerwine Cheer-Off competition at Carolina Mall in Concord.

Cheering in the Holiday Tournament at Catawba College was one of the duties for the rowdy basketball cheerleading squad. Captain Judy Lawrence and co-captains Tami Wyn-

ruit and Amy Moorhead led the cheerleaders. The remaining membership of the busy squad, having to cheer two games a week, included Samantha Glover, Virginia Hailey, Sandi

"The hard work really paid off."—Jane Wilson

Northington, Mary Trevey, and Kitty Staats. Mrs. Evans commented, "These girls pulled together, some never having cheered before, and had a good squad."

in the grandchampionships at an International Cheerleading Foundation summer camp at the University of North Carolina at Chapel Hill. Laura Jackson, co-captain, helped her out

along with Kelly Williard, Tracy Drain, Linda Peeler, Anna Eagle, and Wendy McCray. Mrs. Peggy Crockett, advisor, said, "Camp really taught the girls a lot. It was a great experience for them."

The basketball cheerleading squad had new additions but was led again by Captain Melena Weinhold. Sandra Burton served as co-captain and the rest of the squad included Alberta Jackson, Leigh Hubbard, Kelly Williard, Mary Jordan, Celeste Melton, and Kristia Rusher. Melena Weinhold said, "I'm glad I got to work with a lot of different girls." The group was busy cheering not only for J.V. home games but varsity girls home games as well.

Kristia Rusher holds Leigh Hubbard on her back while cheering for the basketball game

ACHIEVE 8-6 RECORD

hornets pin winning season

Finishing with an 8-6 record, the Salisbury Hornet matmen had their best season in ten years. The Hornets were coached by Al Manning, and assistant coaches Jim Grkman and Ray Davies. Manning said that "hard work, dedication, and pride have been the keys to success this year."

Salisbury beat Mooresville, East Rowan, West Rowan, Lexington, Forsyth Country Day, and Asheboro.

They defeated North Rowan twice. The Hornets lost to Ashbrook, Gastonia, Northwestern High School in South Carolina, Thomasville, North Davidson, Trinity, and Davie County.

The squad was led by captains Michael Boyd, Rayford Canon, and Peter Moore. Underclassmen that came on strong throughout the season were Durwood Bynum, Lawrence Stephens, Wylie Wells, Prescott Ellis,

Rodney Hopkins, and Jeff Wood. All finished with outstanding records.

"Hard work, dedication, and pride have been the keys to the success of this year."

—Coach Manning

Award, is congratulated by Sexton as he
rounds first base on a homer

NPC CHAMPS, FINAL FOUR IN STATE

hornets have best season in 27 years

Before bowing to T.C. Roberson, 4-3, in the state semifinals, the Salisbury Hornets posted a 17-3 record, captured the NPC crown, were victorious in two state playoff games, and had the most successful season in the last 27 years of SHS baseball history. Four members of the Hornet squad were placed on both the All-North Piedmont Conference and All-Rowan County teams. Salisbury senior Jerry Page was Player of the Year for both

of the honorary clubs in addition to being named a member of the All-State team. Second year coach, Tom Sexton, was voted the All-NPC and All-Rowan County Coach of the Year.

With important wins over defending conference champions Asheboro, and the North Davidson Black Knights, the Hornets dominated the NPC race with a 12-3 record. Salisbury then advanced to the first round of the state play-offs. After defeating

the South Piedmont Conference's best, Wadesboro Bowman, the Hornet club faced the East Surry Cardinals, who were led by an All-State pitcher. Salisbury prevailed with a 7-3 win. The team then traveled to Fairview, North Carolina to face the T.C. Roberson Rams. After leading for 6 1/3 innings, 3-0, the Rams tied the game, forcing extra innings. In the bottom of the ninth, a hit through the gap in left-centerfield was enough to score the Roberson man from first. The Hornets remained State Semifinalists.

Seven seniors, three juniors, and six sophomores comprised the championship team. Seniors Terry Perkins, John Peoples, Jerry Page, and junior Kris Huffman earned spots on the All-NPC and All-Rowan County teams. Junior Fuzzy Hardister gained a spot on the All-NPC team as catcher. Senior pitcher/first baseman Drew Sylvester made the All-Rowan squad and placed third in the voting for NPC Player of the Year.

Coach Jim DeHart again assisted the Salisbury sluggers. "They are the best bunch of team players I've ever worked with," he said of the team, which posted a .351 collective batting

"They are the best bunch of team players I've ever worked with." —Coach DeHart

average

At the start of the season many critics questioned the ability of the Hornets after the loss of Joe Clark and Tim Kirk to graduation; the SHS club proved them wrong. Coach Tom Sexton often told the team, "If you don't believe we can win this game, you don't belong here." Evidently, the Hornets believed.

Senior left-field starter Dane Parks celebrates a victory with Kris Huffman and Steve Clark

LADY HORNETS IMPROVE

third season is best yet

The class of '84 restored the volleyball program at SHS and reactivated the girls' softball team. Lack of interest had cancelled the softball program after the 1978 season. Volleyball was added to balance the men's and women's athletic programs. By using the last two years as building blocks, both teams have begun to experience favorable results. Interest in both volleyball and softball has increased yearly and has created a positive outlook for future seasons.

With a final season tally of 8-7, the volleyball team greatly improved last year's record. Latanya Hart, Elizabeth Hood, Cara Reische and Gwen Vaughters provided a base for the team. In the successful Thomasville game everyone contributed 100% effort and spirit. Because of the upset,

Thomasville was no longer able to finish second in the conference. Coach Bill Lee felt that the team could have beaten anyone in the conference. He stated, "With this year's experience, we won't be just playing the top teams in the conference next year, we'll be beating the top teams."

Coach Charles Hellard stated that the 82-83 softball team showed continuous improvement throughout the season. The final record was 5-11 in the conference and 6-13 overall. Factors that may have affected the final record were that starting players Pam Armstrong and Marie Warlick were unable to play the first half of the season due to injuries. Since there was no softball field at SHS, the team had no choice but to practice behind the gym. The Sports Complex was

the sight of home games but most of the time the Hornets ended up playing on a baseball diamond instead of a standard size softball field

"With this year's experience, we won't just be playing the top teams in the conference next year, we'll be beating the top teams." — Coach Lee

The team voted outfielder Pam Armstrong as Most Valuable Player and pitcher Marie Warlick as Most Improved Player. Leading hitters were Pam Armstrong with a .417 average and Jancina Ingram with a .403 average.

Stephanie Swann concentrates on a warm-up before the game

Marie Warlick pitches for another strike

lady 'racketeers' finish 10-4

Talented players made up two squads for Salisbury High School in the 1983 and 1984 tennis seasons.

Returning tennis players along with new members spelled success for the 1983 girls' tennis team. With Coach Carolyn Murray, seniors Allison Rice, Kathy McCubbins, Laura Jackson, Siobhon Fox, Celi Whisneaut, Mary Jordan, and Tonja Damon, the Lady Hornets obtained a finishing record of 10-4, and the team captured a second place at the sectionals at Lexington. 10-4, and the team captured a second place at the sectionals at Lexington.

As a doubles team, Rice and Damon got to the semi-finals in the sectionals and advanced to the regionals

in Hickory. Rice received the Most Valuable Player Award for the team at the fall sports award assembly, and Streiff, the Most Important Player Award. Rice and Damon made All-

Conference. Rice also finished in third place in the All-Conference voting for Player of the Year. Coach Murray received Coach of the Year in the North Piedmont Conference.

"When the going really got rough, our team came through in fine fashion, winning key matches," stated Coach Murray.

The 1983 boys' tennis team was not as successful as the girls, but there were many talented members on the squad. The players consisted of Gib Johnson, Neill Fox, Joe Jackson, Tripp Bunker, John Wilson, David Stone, and Gip Martin. Their 1983 season ended with a 4-12 record. Gib Johnson, a senior member of the squad, earned the title of All-Conference. Seeded doubles team in the sectional's tournament consisted of Gib Johnson and Neill Fox. Bob Patton coached the boys' tennis team.

CROSS-COUNTRY GOES COED

girls finish fourth in npc race

Sixteen girls kept up tradition by running girls' track in the 1982-83 season, while one girl broke tradition by running on a previously all-boys cross-country team. Ashley Graham joined the 1983-84 cross-country squad. The girls' track team had two new coaches: Coach Conrad Green and assistant Coach Frances Eagle.

Coach Green stated that the girls' track team did a good job for so few people. Having only sixteen members did not hold them back; the team was strong and productive. They ended up with three 1st places, two 3rd places and came in 4th once. The team placed fourth in the NPC conference meet.

Latanya Hart and Tami Wynruit received the most valuable player

awards for the running events and field events, respectively. The two girls were also all-conference competitors. Karen Hairston joined Hart and Wynruit in the sectionals meet. Charlene Perkins was the only senior

"I believe that a very big step has been taken towards success in the future." —Coach Hellard

on the squad

In years before there had only been a sponsor for the cross-country team, not a coach. Coach Charles Hellard undertook the responsibility and worked with the team daily to build

up strength, endurance and speed. The practices resulted in one 1st place, three 2nd places and three 3rd places.

Six members of the squad attended the sectional meet: David Basinger and Cuong Vo, the two strongest runners, Chris Payne, Mike Fleming, Jeff Bowyer, and Terry Luther. Jason Young had planned to go, but illness prevented him. David Harriss and Mary Ellen Warren were not able to compete in any meets because of injuries. Kent Perry had to stop competing after the second one because he suffered a serious injury.

Coach Hellard said, "I am well pleased with the entire season and believe that a very big step has been taken towards success in the future."

Stretching out before a meet is standard procedure.

The cross-country team is off and running.

Kris Hardiman paces to a first in the 1600m.

NPC CHAMPS AGAIN

track relays to another victory

Coach Aaron Neely's warriors took to the field of battle to retrieve the North Piedmont title once again. The valiant Hornets crusaded and reigned supreme among their adversaries.

With barbarian Cullen Jordan, high flying Luke Burge and sophisticated Fred Evans, the senior class added the experience to the novice brigade.

Juniors added the flash. Kevin "stilt man" Bostic, Thomas "speed demon" Mashore, and Aaron "the

runner" Miller got things to "speed up."

Long jumper Bruce Titus and disc thrower Donnie Hooker proved the seniors' experience is not always better, as they led the county in their respective events.

These men were only a few of the pieces Aaron Neely had to work with in his puzzle to create a team which prevailed unvanquished in ten dual meets.

His wizardry provided Salisbury with a number one standing in the county and conference and a second

**"We punished 'em."

managers keep things straight

Walking, carrying, keeping score, and organizing equipment were common duties for the golf team and managers.

Although the golf team had only

"It was a rebuilding year with a young group."

—Coach Lee

one senior, they still managed to finish 5th in NPC standings. Coach Bill Lee said, "We didn't play as well as I had hoped overall, but we had a few strong individual performances. It

was a rebuilding year with a young group, with much hope for the future."

Awards for the season went to Wook Yang as Most Valuable Player and Stan Dunham for Most Improved Player.

As a new sport season rolled around, so did the chore of selecting

new managers. The job is not regarded highly by many people but is important to the teams and coaches. Managers had many responsibilities before and after a game, from keeping things straight on the bench to collecting uniforms at the end of a game. Some managers kept statistics, while others filmed the games.

keys turn to help

The most productive men's community service club of the year (and the only one at SHS) was the Key Club. Serving the Salisbury community, these young men demonstrated their good citizenship by activities, such as ringing the bells for the Salvation Army at Christmas, assisting the Salisbury Symphony Guild with refreshments at concerts, and providing transportation for tired walkers in the CROP walk. They helped the YMCA with its Open House and volunteered to deliver Meals on Wheels on snow days. They helped the Booster's Club sell and deliver homecoming barbeque. They raised \$1400 through the sale of pizzas. All the proceeds from fund-raisers went to various charities.

Some of the new items added to the Key Club agenda were the selection of a Key Club sweetheart and the first annual District Key Club Basketball tournament. Beth Parker was selected as the sweetheart and rode in the Christmas parade. The Key Club here at SHS invited all the Key Clubs in the district to participate in a Basketball tournament here at SHS. New advisor Dale Basinger channelled the energy of the club.

their goal's to serve

The Keywanette Club set as its goal fifty service projects for the 1983-84 school year. Some of the projects included donating toys to the Salvation Army, entertaining mentally retarded adults and children, decorating the Headstart classroom and giving the children refreshments, assisting with the Crop Walk and Heart Fund and pioneering a CPR class for the community. Meeting twice a month and participating in the various projects kept the 55 Keywanettes constantly occupied

Mrs. Raemi Evans, Keywanette advisor, helped the organization with each activity and was assisted by Mrs. Debbie Sheets, a new member of the faculty.

Wendy Gilmore finds Initiation makes her feel like dancing

74 serve shs

Sporting new Jr. Civitan sweatshirts, the 74 members of the service club added success to all of their school-oriented projects. Every two weeks the members held meetings to plan projects and to keep up the Civitan spirit.

They began working at the concession stand at football games. At homecoming the Civitans made crowns for the queens. They also made football, tennis and volleyball silhouettes for the student lounge and won the homecoming banner contest. Working at the BBQ sale, Civitan Ginny Clay won the award of top salesperson, and the club captured first place in overall school sales. At Christmas, the members provided and decorated a Christmas tree for the lounge and made the teachers stockings in appreciation of their hard work. Civitans initiated new members in December. Initiates danced to "Mousercize" in the student lounge and rode around on horses disguised as brooms for the day. In February, Junior Civitan sponsored a Valentine box and delivered hand-made Valentines for students to their favorite friends. The members also gave Valentines and small gifts to their secret pals. In spring, another BBQ helped in Civitan's fund-raising. At the end of the year the executive board inducted new members.

There were projects the Civitans sponsored outside school activities. Junior Civitan helped Senior Civitan at a Golf Tournament at Corbin Hills Golf Course and boosted the profits of their annual fruit cake sale at Christmas. They also helped by visiting with children of the Association of Retarded Citizens in December and at Christmas held a party for the ARC. Also at Christmas the Junior Civitan rang the Salvation Army bell in downtown Salisbury. Various members attended Junior Civitan District meetings and the annual convention at Wrightsville Beach. At Christmas they donated one-hundred dollars to the Governor of the district for the yearly "Sno-Do."

 JCL gets in line

afs, jcl bridge culture gap

As evidence of the closing gap between cultures, both A.F.S. and J.C.L. flourished at SHS. The two organizations took separate routes, but each managed to bring its members closer to the surrounding world.

Returning to the SHS list of organizations after a year's absence, American Field Service quickly regained prominence by attracting more than 50 members. Led by club president Joe Jackson, members endeavored to explore the cultures of other nations. Exchange student Donita Skilbeck of Australia assumed the traditional role of first vice-president; Michael Goldman began his training for president by serving as second vice-president; and Mary Ellen Warren, secretary, and Kris Hardiman, treasurer, filled the remaining positions. Activities ran throughout the year. A.F.S. sponsored a tea for the teachers, a car in the Homecoming parade, a Christmas party for members, and an A.F.S. weekend for surrounding area exchange students to experience the Salisbury life. Also on the agenda were plans to join other SHS clubs to sponsor events pertaining to foreign affairs.

One of the clubs with which A.F.S. planned events was the Junior Classical League. In only its third year at SHS, J.C.L. swiftly began to expand its membership by increasing eligibility guidelines. Formerly composed only of those currently in Latin, J.C.L. opened its doors to alumni and created the Council of the Elders. Council members served as an advisory board and participated in all club activities. President Jean Sutton and advisor Patsy Reynolds, along with officers Sally Hubbard, treasurer, and Elizabeth Scheld, secretary, led the club and kept class officers up to date on all activities. Classroom officers consisted of Betsy Blackwell, Leigh Hubbard, and Tim Steinman, presidents; Shannon Neely, Liz Rosenbaum, and Robbie Basinger, secretaries; and Richard Wu, Sarah Whitt, and Linda Peeler, treasurers. J.C.L. members again ventured to Chapel Hill for state convention, submitted projects in state competition, and struggled through state exams. However, the year took an upward trend when old members were allowed to use an initiate as a slave for an evening.

french, spanish clubs host faculty feast

"Unity" was a frequently practiced word between the French and Spanish Clubs in the 83-84 school year.

Combining with the Junior Classical League, the French and Spanish Clubs threw a Christmas Tree decorating party. The clubs contributed many refreshments to make sure members had a "Joyeux Noel" and a "Feliz Navidad." Then the Spaniards and the Frenchmen traveled together to the Intercultural Festival at UNC—Charlotte. During Teacher Appreciation Week members of both clubs prepared food for a banquet for the faculty. The faculty enjoyed such foods as quiche, Mexican taco salad, Mexican wedding cookies, bon bons, french bread and other tasty delights.

Other activities that the French club participated in included a covered-dish picnic at Kern Mills in Sloane Park, listening to speaker Jonathan Rabon discuss life in France as a member of the 1st American Regiment of Maryland, and attending the play Pippin.

Spanish Club members also participated in other events, such as dining at Casa Gallardos. Mrs. Nancy Broome was their new advisor.

French Club officers Beth Alfonsi, vice president; Crystal Sadler, corresponding secretary; Laura Bernhardt, recording secretary, and Lois Stirewalt, treasurer, beam radiantly as they surround President Cress Goodnight

Under their new advisor Mrs. Nancy Broome, members of Spanish Club gained a better appreciation of the Spanish culture.

"Vive la France!" cheers French Club members while reminiscing about all the activities in which they participated.

students help

Students were able to help other students, as well as assist administrators and teachers, through two different programs this year. A student-help club was formed, while the student involvement program continued from previous years.

PEGS (Problems, Experiences, and Goals for Success) was a student-helping-student program. It involved juniors and seniors, who aided peers with special career interests and problems relating to school and home. The group was under the direction of school guidance counselor Pat McGuire; counselor Melvin Rush helped organize the club at the end of the preceding year.

The student involvement program had students doing jobs that usually require additional staff. Any student could take part in the program after being screened by the administration. These students aided Salisbury High for one period a day by working anywhere from the office, to classroom laboratories, to the library.

Vice president Teresa Gish, President Kathy Streiff, and Corresponding secretary Ellen Brittain stand with members Adriene Fleming, Wendy Gilmore, Crystal Sadler, Amy Tannehill, Kirsten VanderGast, Judy Lawrence, Jean Sutton, Jane Wilson, Kim Ford, Lois Stirewalt, Missie Ross, Laura Bernhardt, Beth Parker, Dora Hoover, Bruce Titus, Lawrence Stephens, and James Hall before a PEGS meeting. from office to home, members learn

Future Business Leaders of America and Future Homemakers of America gave their members the opportunity to learn many things that will be useful to them in the future. Membership allowed them to experience activities in which they could apply their knowledge.

The FBLA organized a Gong Show that allowed all schools around the community to participate and display their talents. They held a balloon sale for the North Rowan game, entered a banner in the homecoming parade competition, and the officers of the club rode in the parade. The club also prepared a book of their activities for the State FBLA Conference. The future business persons made plans to take a field trip, attend the District Competition, and hold activities for Easter.

The FHA used the knowledge that they gained and applied it to various activities throughout the year. They learned how to make Christmas decorations, with which they adorned one of the showcases in the school. Some members attended the FHA Leadership Conference. They also hosted and served as chairpersons of the Proficiency Events Contest, which all Rowan County FHA clubs attended. They planted flowers in the planter behind the school, continuing a tradition for the homemakers' club.

The FHA poses for a group picture

experience is “hands-on”

Members received hands-on experience in industrial vocations in the SHS VICA (Vocational Industrial Clubs of America). They participated in area competitions, such as the Regional Skills contest in March at Charlotte, N.C., and the State Contest in April at Winston-Salem, N.C.

Other than participating in area contests, they held yard sales in the spring and fall, aided in community building projects, and conducted contests between members, winners of which received recognition at an awards banquet

at the end of the year.

In the spring of 1983 Bobby Bowen and Aaron Lewis won awards in area competitions. Bowen won second place in the regional carpentry competition; Lewis won second in job skills. Leading the VICA club was Bobby Bowen, president; Scott Lineberger, vice-president; David Kluttz, secretary; Aaron Lewis, treasurer; and Rayford Canon, historian. Ray Davies advised the industrial club

societies honor scholars

The National Honor Society and Quill and Scroll were fine examples of the academic excellence which was present at SHS. NHS was a group which stressed above average grades, leadership, character, and service. Quill and Scroll was an organization designed to honor journalistic superiority in those students in the top third of their class. Together, these two groups distinguished the leading students in the school.

NHS took part in many activities during the 1983-84 school year. Kathy Streiff served as president and led the group's monthly meetings. Vice-President Beth Parker, Secretaries Dana Crocker and Ginny Clay, and Treasurer Lisa Dunkley were the other officers in the club. Some of the activities that NHS took part in included the following: providing a salad bar for the teachers; furnishing a valet service for one night at the Holiday House; hosting a science seminar for first, second, and third graders; taking a trip to Charlotte to see a musical festival; and earning money for new sashes by having a Food Lion fund raiser.

NHS also inducted new members during the year. Two seniors were received into membership in the fall. Later in the year, the eligible junior and senior class members were inducted.

The Quill and Scroll inducted new members in January. President Crystal Sadler and Vice-President Karen Carpenter led the ceremony. After enjoying a banquet, eight new members were accepted into the Ida Gordner Chapter of Quill and Scroll. Jenny Brooker, Kelly Brown, Kelly Dillon, Rob Eichelberger, Sally Hubbard, Joni James, Marie Warlick, and Mary Ellen Warren were the students honored.

The marching Hornets in perfect step

The 1983-84 marching Hornets, Drill Team and Majorettes

Danny Warlick and Felipe Williams are enthusiastic about getting their picture taken

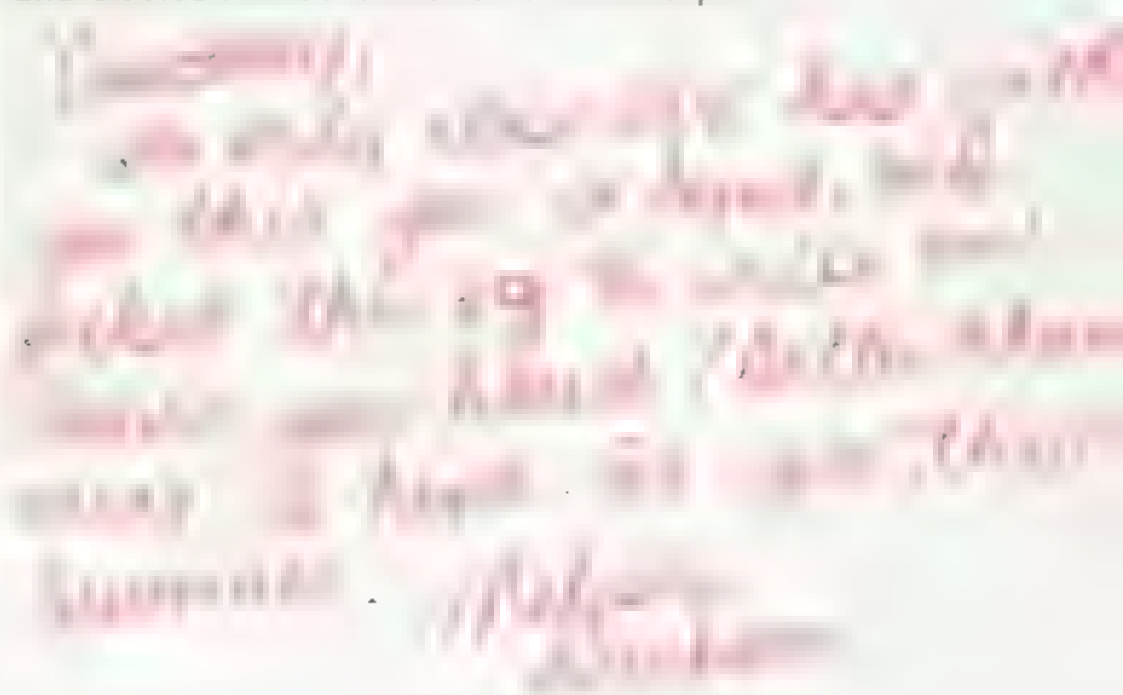

and the beat goes on

During the 1983-84 year Salisbury High School had two new additions to their marching band. Lu Graham helped the band to improve their sound quality and marching techniques. She was a part-time assistant to band director, Mickey Young.

Another addition was the Freshman Class. The band this year was considerably bigger than the previous year's band and therefore improved the sound of the band.

The SHS Marching Hornets participated in a myriad of parades, including the Holiday Caravan, Homecoming, Fire Prevention, and Veteran's Day parades.

The band also chose a Band Council for the first time and elected Mark Matthews as Band Captain.

shs girls please the crowds

Highlighting Salisbury High School's football games at halftime were SHS's majorettes and drill team. They also participated in various community parades; the drill team won first place for the front line award in the annual Holiday Caravan.

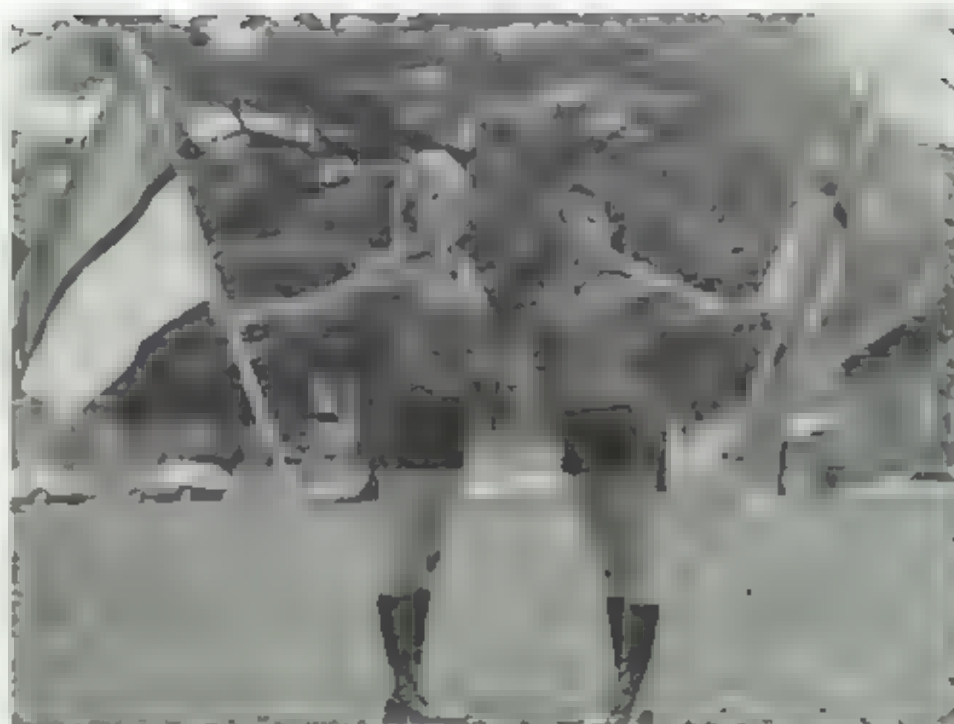

Mary Trevey, a returning majorette, and Sophomore Lynn Kesler, twirled their hearts away. Their batons were accented with flames, streamers or tinsel to add even more excitement to their routines.

Mary and Lynn both agreed, "We love everything about being majorettes."

Taking part in another major feature of the halftime show were fourteen drill team members. The returning flag girls Laura Bernhardt, Kris Hardiman, Beth Parker, Kathryn Peeler, Kathy Streiff, Kim Trevey — Captain, and Beth Virtue — Co-Captain added experience to the squad; new members Betsy Blackwell, Catherine Carlton, Teresa Gish, Lisa Huddle, Celeste Melton, Kathy Perkins, and Susan Shumate will be working to carry on the tradition in the years to come. Starting as early as July the flag girls were sweating it out at the New Life Health Spa to get back into shape. They also attended clinics and practiced at least three hours a day five days a week.

"All the hard work really paid off," explained Kathryn Peeler.

Mrs. Pribble enjoys one of life's most embarrassing moments

Stage group members rehearse their music for the contest held in March

group takes center stage

In her fifth year of being choral director at SHS, Mrs. Cynthia Pribble found that the 1983-84 Stage Group contained more sophomores than any of the previous groups here. Despite having 13 out of 22 people being new members, the pieces of music for contest received a grade six, the highest level.

The stage group remained busy performing at different locations, all of which are listed below.

Stage Group Calendar

| | |
|--|------------|
| Hosted Western Carolina Choir | Nov. 2 |
| Appalachian workshop | Nov. 5 |
| UNC—Charlotte showchoir workshop | Nov. 11 |
| Hosted visiting artist Christopher Deane | Nov. 21 |
| Christmas Concert for SHS | Dec. 8 |
| Christmas Concert for Public | Dec. 11 |

Bruce Titus and Phillip Oglesby meditate on a piece of new music

While some stage group members seem to be enjoying a new song, Angie Jones appears to have a different opinion

Clay Lindsay, S.A. president, is preparing to give the morning announcements

Cara Reische, treasurer, takes a break from playing the music

S.A. Secretary Dana Crocker prepares the agenda for the next meeting

Jane Wilson, first vice president, relaxes after a ha at

Second Vice President Evelyn Brown gets things lined up for the homecoming parade

lindsay leads sga

The main goal of the Student Association at SHS during the 83-84 year was to incorporate the ninth grade into the school. Student Association membership increased during the 1983-84 year, which helped the council to promote more ideas to the school and help improve student life. They took on many numerous fund-raising projects, such as magazine sales, spirit chain, and the bon fire, as well as encouraging competition between the classes. The Salisbury High Association was also responsible for planning homecoming endeavors and organizing student rights.

Clay Lindsay, S.A. president, led the other officers in initiating new projects and moderating assemblies. He directed all council meetings as well as giving the morning announcements. Jane Wilson, first vice president, helped Clay initiate the new ideas, and she substituted for Clay during his absence. Evelyn Brown, second vice president, was in charge of homecoming events for 1983.

Dana Crocker, S.A. secretary, typed up the agenda for every meeting as well as recording the minutes of each meeting. Treasurer Cara Reische kept the accounts and played music for students in the morning.

The 1983-84 Student Council is the following: Tami Wynruit, James Hall, Kim Trevey, Jenny Brooker, Clay Lindsay, Jane Wilson, Laura Bernhardt, Kim Ford, Sonya McConneaughey, LaTanya Hart, Jeff Boyd, Lori McLaughlin, Wendy Gilmore, Janine Evans, Cara Reische, Sandy Northington, Evelyn Brown, Derrick Black, Kim Harris, Beth Alfonsi, Mary Ellen Warren, Catherine Carlton, Chip Allen, Sonya

Brawley, Sophila Carr, Teresa Moore, Wendy McCray, Bonita Provold, Jeff Proctor, Jennifer Goldman, Sarah Whitt, Anne Whitton, William Boyd, Laura Jackson, Kelly Willard, Bobbie Connor, Sandra Burton, Mark Bowden, Anna Eagle, Neva Edens, Kim Morgan, Ray Kennedy, Tracy Drain, Phillippe Williams and Brent Blake

volunteers

make up committees

Student Association Committees worked along with the Student Council during the year through various activities. Some of the committees from last year were omitted, while the Student Council added new, practical committees.

Student volunteers formed these different committees, each having a particular task. Students who were not in Student Council had a chance to give input through these committees.

Orientation Committee made sure the new freshmen and sophomores knew their way around the school.

Student Policy and Procedure Committee's ideas included allowing seniors with administrative approval to visit colleges without losing points for absences.

Projects Committee accomplished the painting of second-floor lockers. The trophy case in the lounge was moved to the center wall and new wall paper was put up.

The Citizenship Committee made sure students running for certain offices were eligible.

The beautification and cleaning up of the school was House and Grounds Committee's responsibility. Their ideas consisted of painting the benches around the school and polishing the trophies.

SHS remained in the public eye because of the work of the Public Relations Committee.

Social and Recreation Committee organized various recreational functions for students, such as dances and the bonfire.

Elections Committee counted votes for classes and student body elections.

Citizenship Committee consisted of Linda Peeler, Evelyn Brown, Bonita Provord, LaTanya Hart, and John Rouser.

Jean Sutton, Judy Lawrence, Jeanette Taylor, Mary Ellen Warren, Sand Northington, Rick Anderson, and Meredith Chambers make up Social and Recreation Committee (not pictured: Laura Allen, Patti Southard, Tami Wyn).

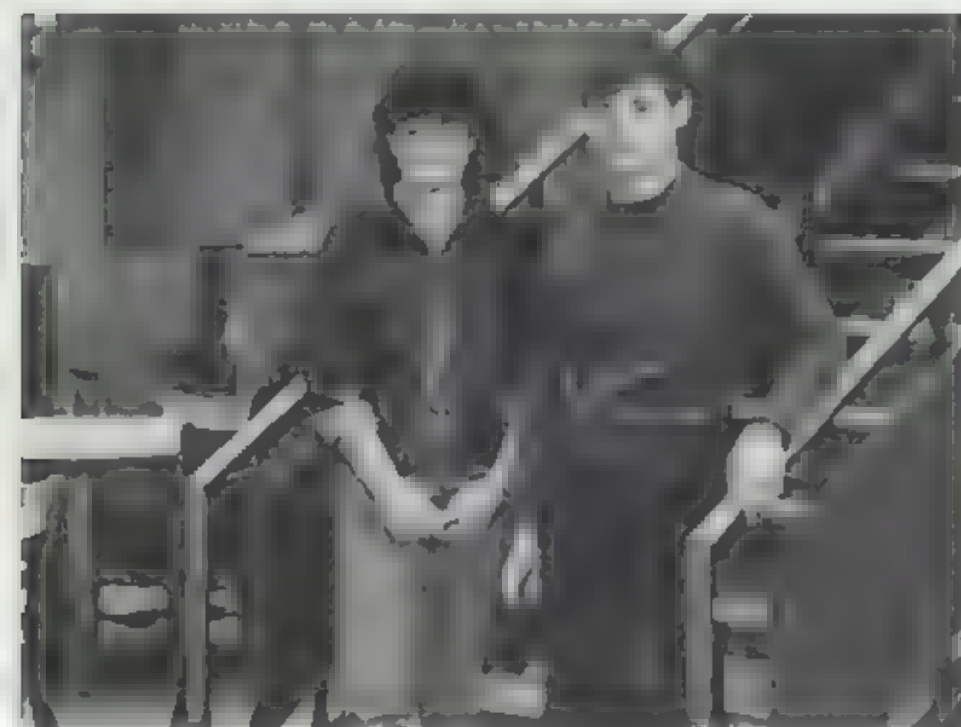

House and Grounds Committee consists of Beth Virtue, Kim Trevey, Kathy Streff, Anthony Reslar, Julie Goodnight, Kitty Staats, Ed LaFrage, Teri Luther.

Meredith Hodge, Kim Ford, Kelly Dillon, Missy Ross, Cara Reische and Clay Lindsay make up Projects Committee (not pictured Seung Yang, Jenny Brooker and Jane Wilson)

Public Relations Committee consists of Kirsten Vanderkast, Beth Alfons, Jon James, Joe Girdier, Evelyn Brown and Joe Jackson

Student Policy and Procedure Committee consists of Teresa Moore, Cheryl Gheen, Elizabeth Scheld, and Lawrence Stephens (not pictured Jennifer Davis, Adrienne Taylor)

Samantha Glover, Joe Jackson and (not pictured) Virginia Hailey, Teri Brown, and Bridgette Lark make up Orientation Committee

Elections Committee consists of Clay Lindsay, Dana Crocker, Cara Reische, Tami Wynrult, Allison Rice, Evelyn Brown, Janine Evans, Jeff Boyd, James Hall and Jane Wilson

Kelly King, Kelly Dillon, Pam Laney, and Robert Jordan collect money for the Echo '84 during lunch.

Joni James serves as the Editor of the Echo '84.

Karen Carpenter is the Editor-in-Chief of The Hornet.

Charlotte Owen posts a sign for the Echo '84 sale

Kitty Staats works on her Hornet article

The Journalism Staff for 1983-84 share a moment with the

thirty produce publications

The Hornet and Echo '84 were both products of Room 220, the home of Salisbury High's journalists. Making two separate deadlines was not always easy, as the 27 rookie staff members soon discovered. Hornet editor Karen Carpenter, Echo editor Joni James, and Advisor Rebecca Ganjehsani answered the endless questions and explained the jargon of journalism. Scrounging for copy, ideas, and pictures soon became a way of life for the 1983-84 journalism staff.

Producing five issues of The Hornet kept Kelly Brown and Janine Evans, business staff, busy. Covering the rising costs of newspaper production prices led to extensive ad contracts for Hornet sponsors. The staff also sold personal Christmas and Valentine ads to help cover expenses.

Marie Warlick served as Sports Editor, while the positions of Features Editor and Editorial Editor were held by Mary Ellen Warren and Crystal Sadler, respectively.

Rob Eichelberger, Copy Layout Editor, and Business Manager Kelly Dillon helped to make the Echo '84 a success. With the cost of eight additional pages, Dillon struggled to make ends meet, while Eichelberger helped edit layouts to near perfection to keep costs down.

Photographers Brad Brooker and Kelly Brown kept the school in pictures and managed to satisfy staffers' and editors' demands with endless patience.

In the end, SHS journalists left Room 220 with true appreciation for all printed matter, especially The Hornet and Echo '84.

Sandi Phillips and Kate Wagoner chat away during a break in class

Derrick McCain puts 100% effort into his classwork

A group discussion takes place while the teacher is out of the room

The class takes notes during Vida Germany's lecture

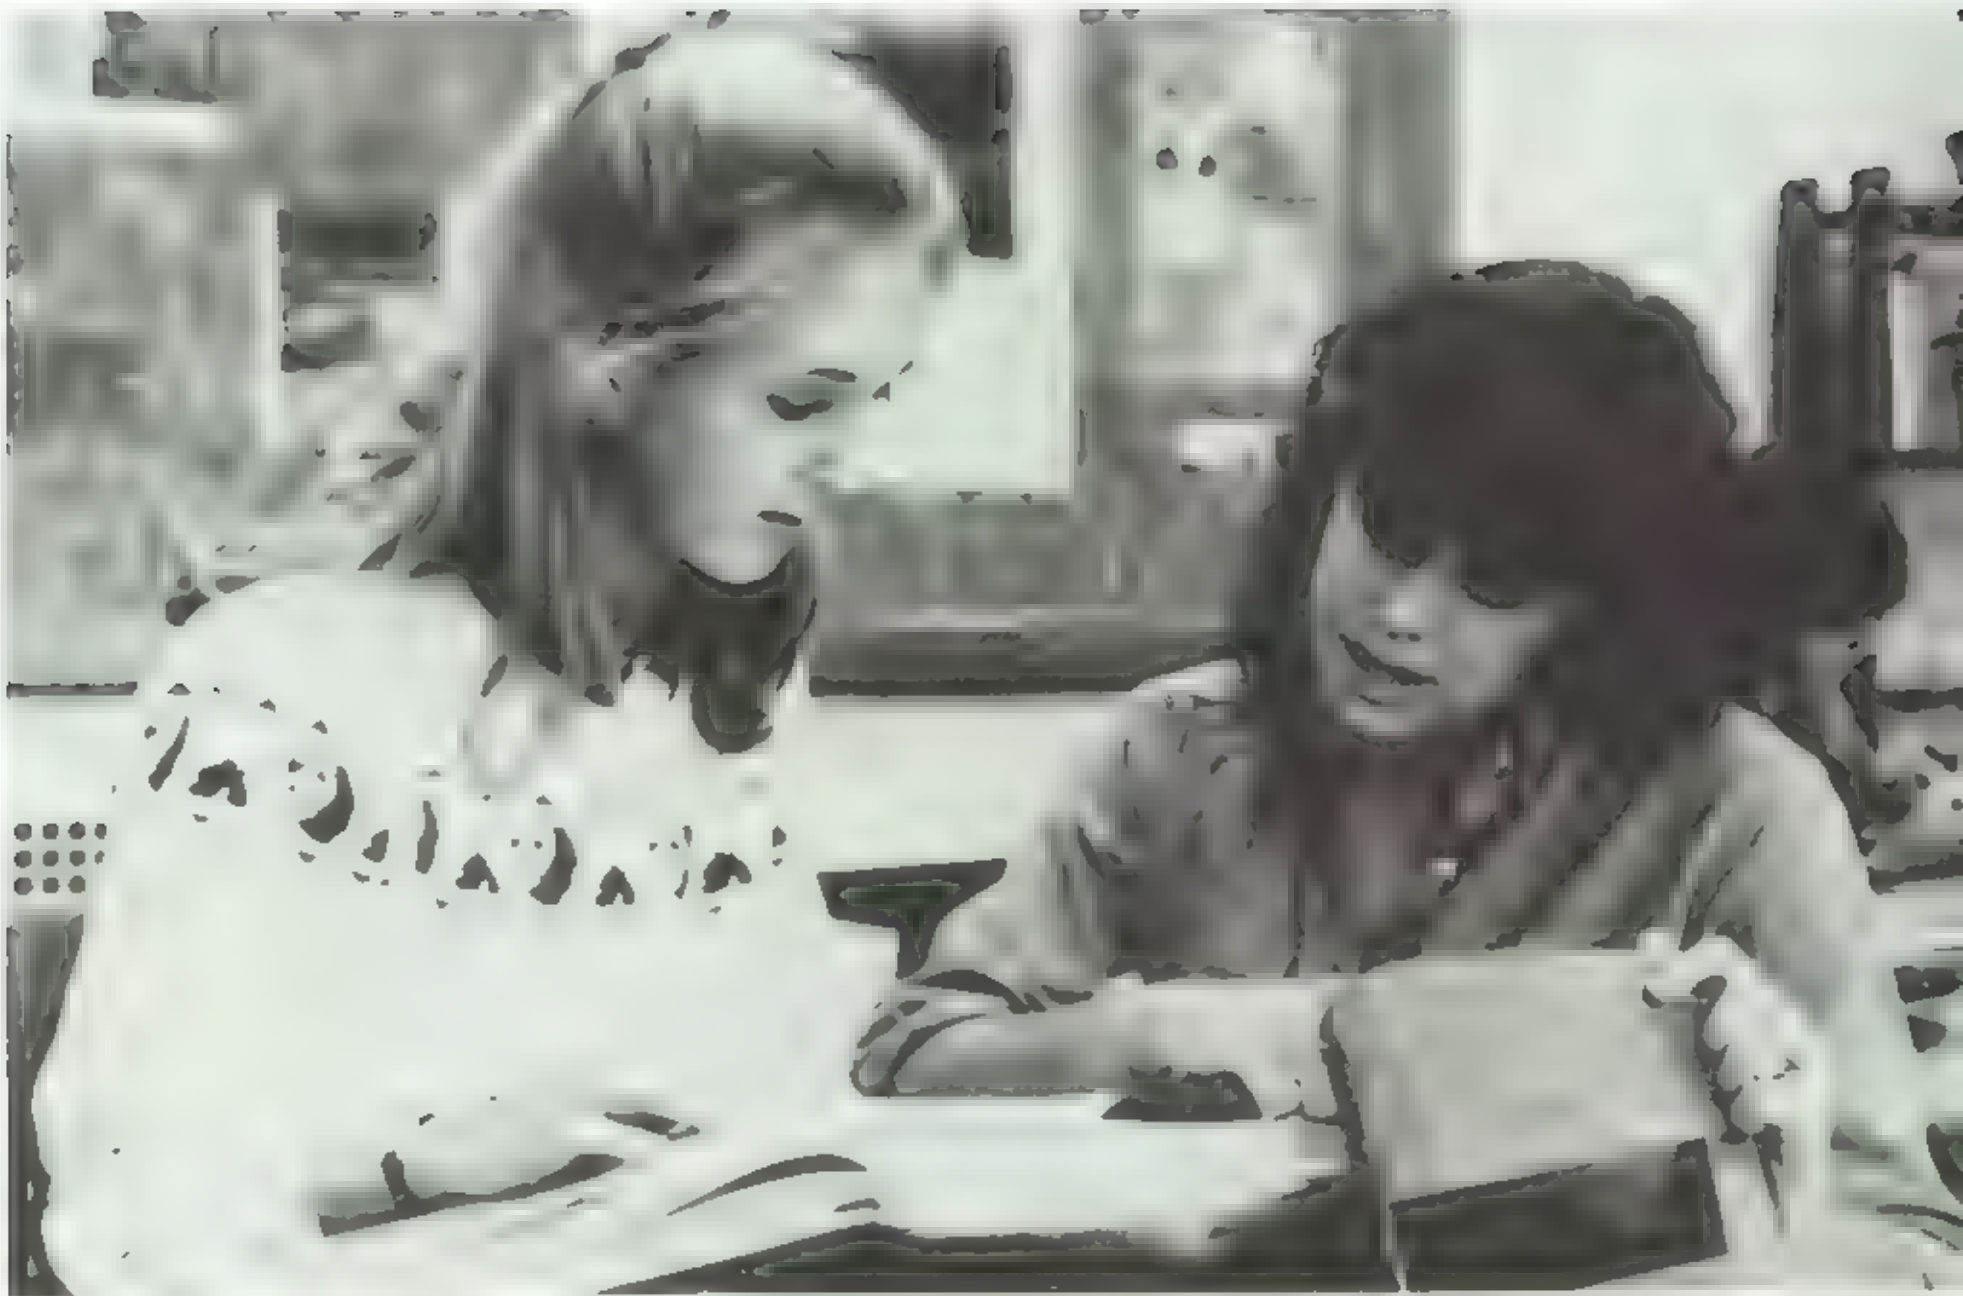

pupils read, write

The English classes studied a variety of subjects during the 83-84 school year. The freshmen, under the direction of new SHS teachers Velva Lee and Esther Marioneaux, wrote compositions, reviewed minimum standard tests, and studied Edgar Allan Poe. The upper classmen's studies ranged from sophomores learning about myths and writing essays, to juniors learning about literature from different countries, to seniors' reading required novels for the first time and plays, including *1984*, *A Tale of Two Cities*, and *A Man for All Seasons*.

Josette Heggins daydreams during class

Laura Bernhardt, Alex Pinkston, and Teresa Moore fix the food for a "cultural experience", while Jennifer Davis is caught trying to steal a bon-bon

David Baird seems puzzled by Dr. Estes' Latin assignment

Julie Goodnight and Missie Ross pretend to check their assignment while they read about the men of France

changes enhance foreign studies

Although the vocabularies and grammar rules remained the same, this was a year of change for the foreign language department at SHS. Spanish, French, and Latin each underwent individual variations.

Aspiring Spaniards studied under the guidance of a new teacher, Nancy Broome. She took her students to see the Spanish play *José Molina y los Boiles Espanoles*, and she helped them create pinatas. They soon found themselves with new textbooks, and in a new classroom. It was time to start research papers on Central and South American countries for Spanish II students, and time to learn the songs *Guantamera* and *La Cucaracha* for Spanish I students. In cooperation with the advanced French classes, Spanish students prepared an international meal for the faculty.

For the remaining French students, this year brought new textbooks. Linnea Litaker once again endeavored to enlighten SHS students on French culture, and the new books were a welcomed addition. According to her, the books "have sped up the learning process." The accompanying tapes also proved to be a big aide in mastering the language. French students again attended the annual play in Charlotte, and went as a group to see the Piedmont Players' productions of *Pippin* and *the Lion In Winter*. The travel did not stop there. Advanced students spent a weekend at Camp Caraway, where they spoke only French. Three French IV students — Rob Eichelberger, Mary Jo Steimel, and Donita Skilbeck — also traveled, but to Isenberg school. They went each week to share their knowledge

with primary students.

In Latin, there came another faculty change, but this time, an addition. Latin became a popular class to the rising freshmen, which caused the need to add Dr. Dayton Estes, of Pfeiffer College, to teach a second Latin I class. The remaining classes were again instructed by Patsy Reynolds. While those in Latin I struggled to conjugate verbs, Latin II students wished that things were that easy again. The second year brought research papers on Horace and Ovid and the task of memorizing Caesar's Gallic campaign. The new year meant that project deadlines had come. Works of Roman art poured into the classrooms. The end of the year brought the National Exams, and anticipation as to what each student had learned.

Mrs. Broome is filled with emotion over her first year at SHS

Miss Litaker is caught dreaming about the French Riviera

meade, wear enrich science

Studying everything from kinetic energy to the organs of a frog to chemical reactions, science classes exercised some basic brain power. Meanwhile the Math Department offered courses to prepare students for life, college and jobs.

Science teachers used resources in the community to aid in student learning. Mark James, Earnestine McEachern and new teacher Lisa Wear took their classes to the Planetarium to enrich their study of evolution. Ann White took chemistry students to Fiber Industries to learn how chemistry is applied in real life. Ruth Meade, also new, taught Physical Science.

AP Calculus, taught by Betty Lyerly, which debuted last year, was offered again for those seniors who had taken advanced math their junior year. General Math students learned the basics for math, while geometry, advanced math, and algebra students prepared for college. Fannie Butler, who led the math department, made sure that math classes operated well

Lisa Wear teaches the fundamentals of biology

Ann White lectures to her chemistry class

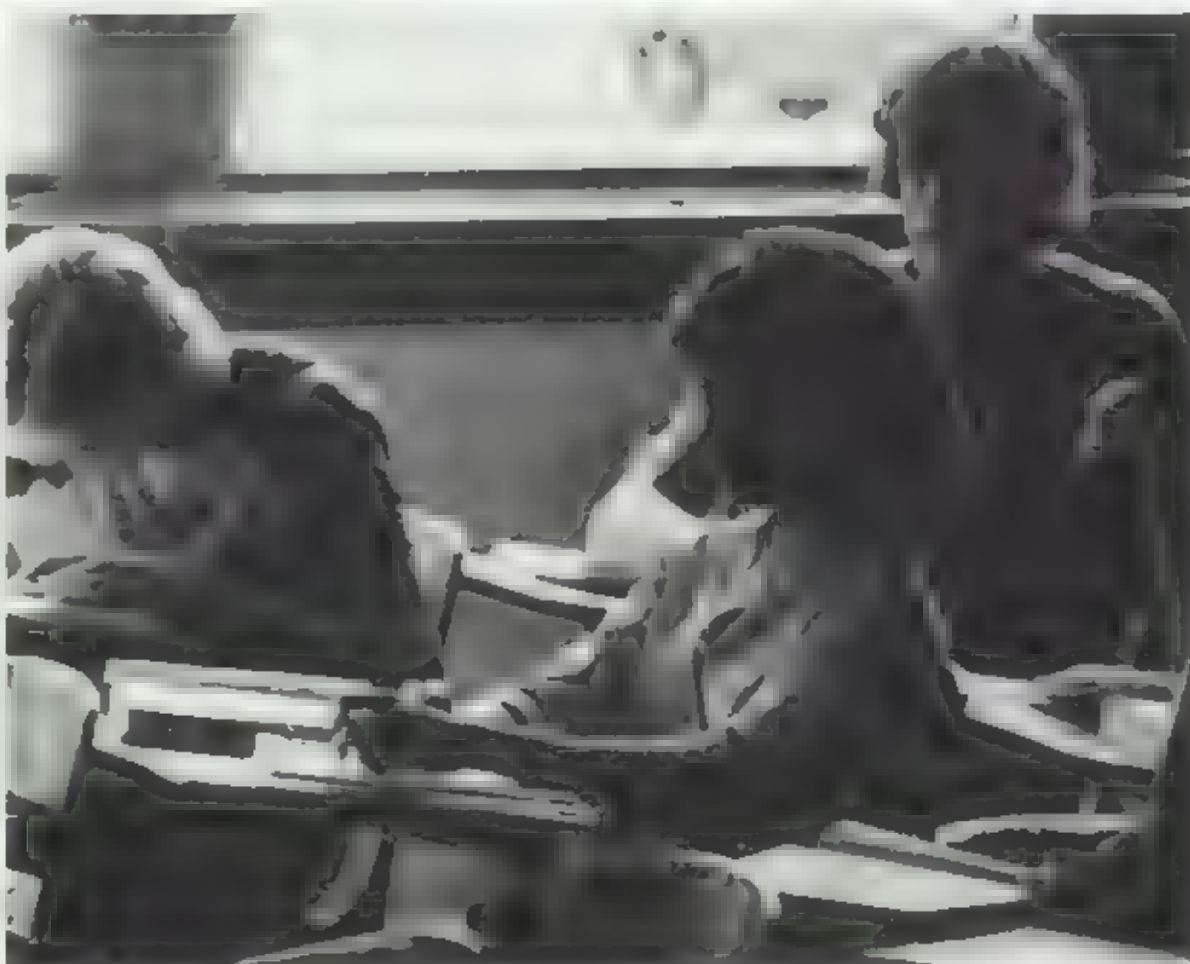

Ruth Meade explains how to use the Bunsen burner

Kathryn Peeler ponders over a math problem

history, de-ict make changes

Additions to the staff and course material characterized the year in history classes. Two new teachers, Mr. Kent Brown and Mr. Dale Basinger, *Time Magazine*, and a few new films were added.

Mr. Aaron Neely, chairman of the History Department, was in charge of field trips and speakers. Senior and junior economics and history classes listened to Mayor Wiley Lash speak on various topics at one time, while

weekly they kept aware of most current events.

DE (Distributive Education) and ICT (Industrial Cooperation Training) class helped prepare students for places in the job world.

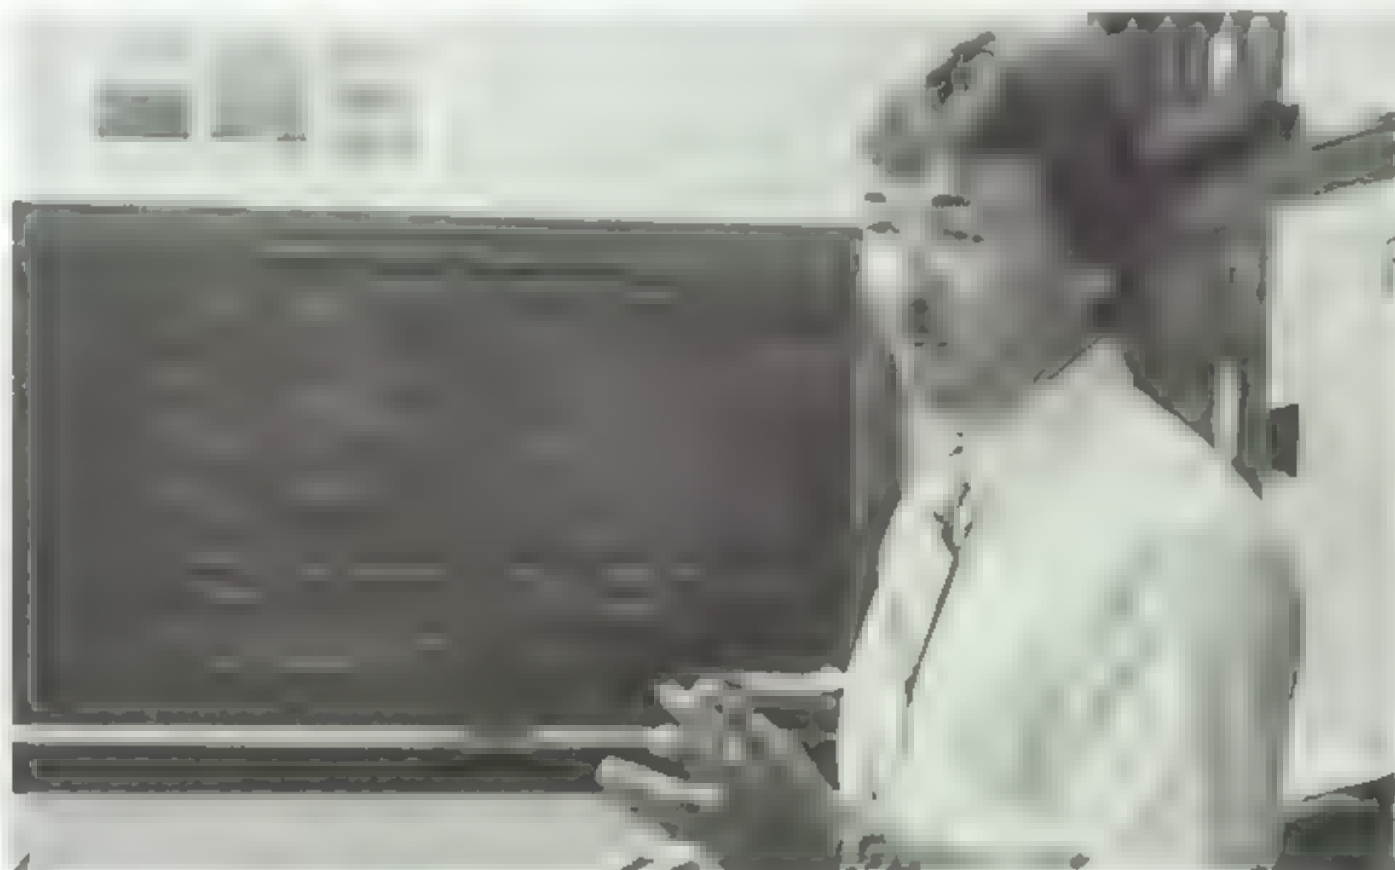

ICT was open to any student 16 or older who had a desire to learn job training. This class taught the skills, attitudes, and work habits necessary to obtain and keep a job. ICT II was open to seniors and gave a more in-

depth study of the job world. Mr. Bill Tunstall was the coordinator for ICT. He stated that local industries, such as Cannon and Cone Mills, supported this program.

DE was similar to ICT but not centered totally around industry. After losing Mr. Ned Towell to retirement, Mr. James Grkman was the teacher for DE and the coordinator for Decca. Local businesses also played an important part in this program.

Mr. Basinger sits with the class to hear every word said

Coach Sexton interprets the day's lesson

Bruce Titus presents his assignment to the class

Home Economics I students concentrate on an exercise

Eunice Powers helps a Typing I student

holmes added to faculty

Female students should have no trouble combining home life and careers since they can get training for both on the third floor.

The business classes, such as data processing, Accounting I and II, Office Occupations I and II, and Typing I and II prepared students for job careers in these fields.

Gail Holmes was one of the new teachers at SHS. She taught students in Office Occupation, I and II, Typing I and II, and data processing. Bill Lee and Eunice Powers also taught business classes.

Nancy Marrow taught the Home Economics classes and Advanced Food and Clothing classes. Chemistry teacher Ann White undertook Patsy Wagoner's former classes, since she did not return for the 83-84 school year. She prepared Home Economics students for domestic living.

Robert Jordan and Mary Scott listen to one of Bill Lee's accounting lectures

Senior Todd Tenor proofreads his copy

Art students study their subject carefully.

Kevin Hargrave puts the finishing touches on a master

programs train artists

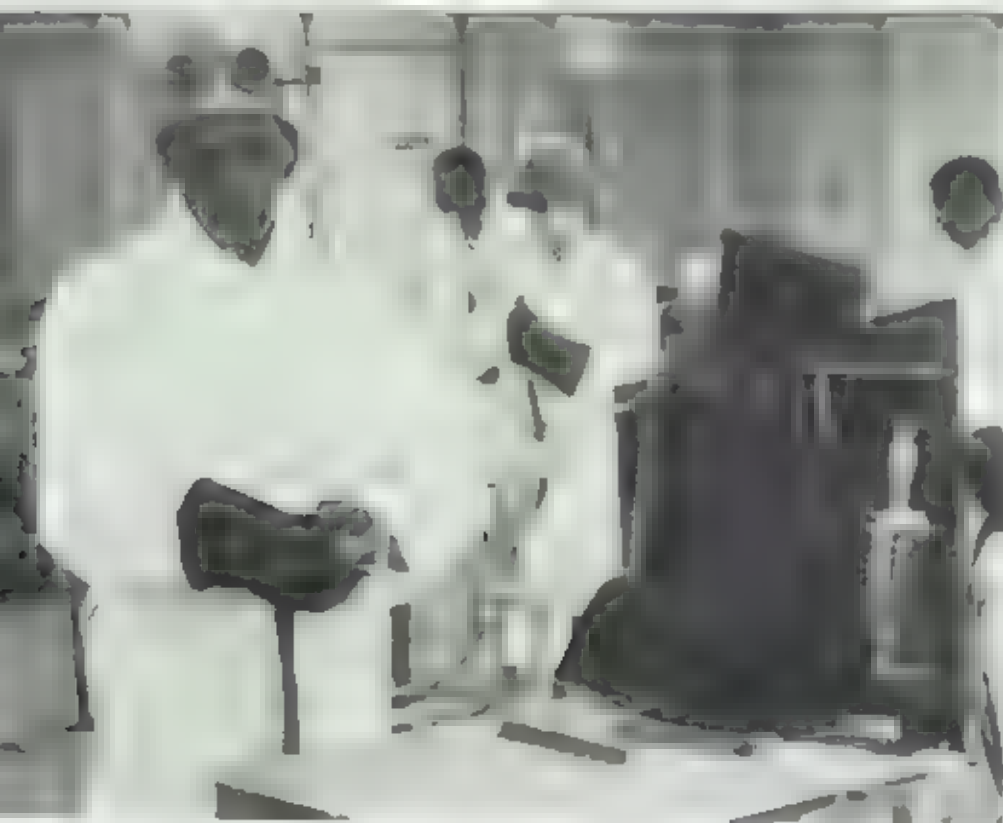

In order to prepare themselves for future careers, many students participated in SHS's Art and Industrial Arts programs. The classes included Art I and II, Welding I and II, and Carpentry I and II.

In the art classes, students experienced instruction in watercolor, art history, pen and ink, pencil, and many other media.

The Industrial Arts department led students into "hands-on" experimentation in carpentry and welding work. Advanced carpentry students built risers in the chorus room along with other furniture to help keep construction costs down at SHS. The office also engaged welding students in many projects around the school.

David Kluttz and Alan Wyrick work hard during carpentry class

Todd Chilcott listens to an announcement.

p.e. classes interrupted by driver's ed

Students who were unable to attend the driver's education course offered last summer used their physical education periods during the first part of the year to complete the class.

The P.E. classes were instructed by coach Conrad Green during the morning and by new football coach Roger Secreast after lunch. Coach Green's classes participated in seasonal activities such as volleyball, basketball,

track, and softball. Coach Secreast instructed weight training programs for the football players during the afternoon periods.

Coach Bob Patton once again taught the driver's education classes. Students attended these during the time period regularly used for their gym classes. Ninth and tenth graders formed most of the novice driver groups during the first four periods.

Lecturing on the principles of good driving, Coach Patton prepares his class for the road

Coach Secreast takes a break from his physical education classes for a phone call

Rob Elchelberger relaxes after taking the early morning SAT class

Todd Askew prepares for the SAT session

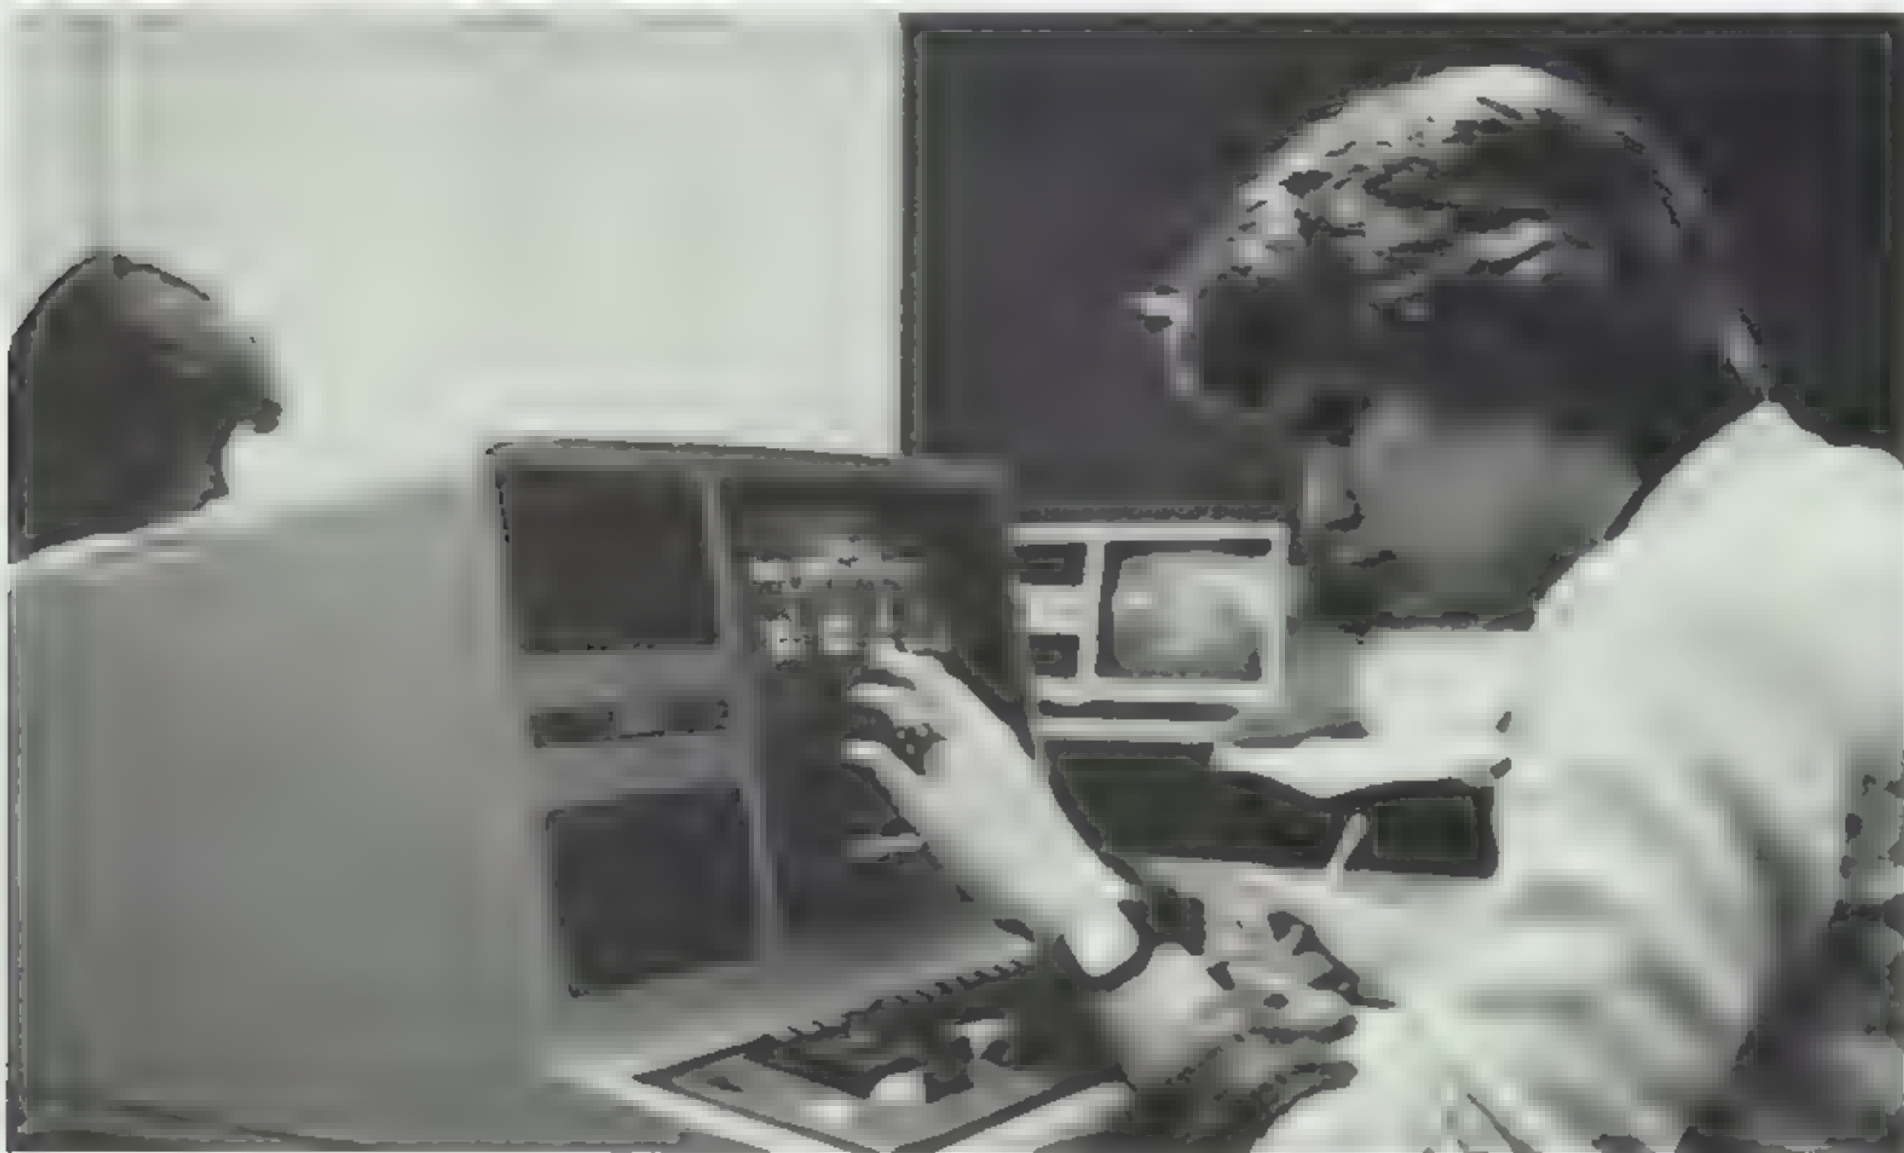

data's basic

Data processing entered the curriculum as a new course, while computer programming was offered for the second year. Preparation for technical studies, meanwhile, included taking the SAT class.

The SAT preparatory classes helped students to improve their SAT test scores. The class was offered during zero period for four weeks, divided into two two-week sessions. Betty Lyerly taught how to prepare for the math, while John Brown prepared students for the English portion of the test. Students learned the basic theory of the test, took sample test questions, analyzed answers and learned how to pace themselves for taking the SAT.

The data processing class got hands-on experience learning the language of BASIC, taught by Gail Holmes, a new instructor. While Jolene Fleming also taught BASIC in the computer programming class, students learned more advanced programming and had more practical experience.

Mary Jo Steimel copies output from a program

nine come from knox

Not only did Salisbury High gain a whole new grade, it also gained new teachers from Knox Middle School. The empty classrooms from years before were filled. Many teachers had to share their classrooms with the new teachers; while one teacher had a planning period, another teacher would make use of the available classroom. The teachers from Knox included Dale Basinger, Kent Brown, Velva Lee, Al Manning, Esther Mar-
ioneaux, Pat McGuire, Ruth Meade, Debbie Sheets and Cyndi Zeger.

The vocational staff includes James Grkman, Joe Owen, Royce Thomason, Ray Davies, Ann White, Nancy Marrow and Bill Tunstall.

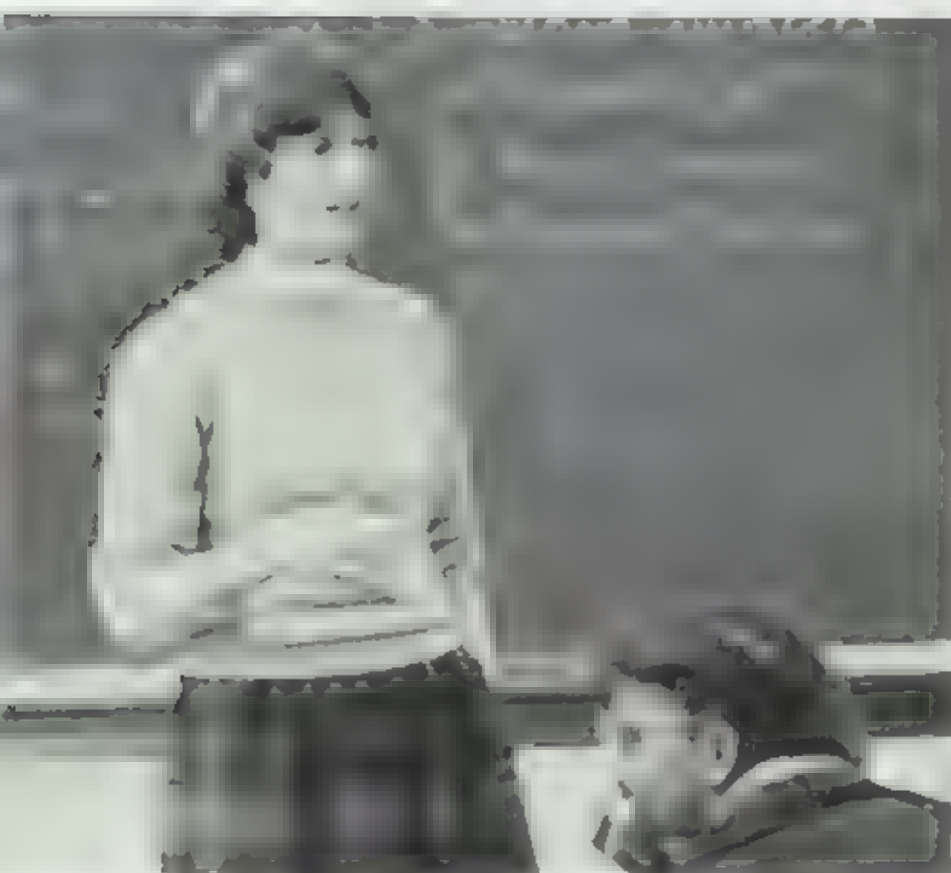

Teachers enjoy some free minutes away from the students.

Raemi Evans, one of Salisbury's English teachers, lectures on a principle of grammar.

still in school

Salisbury's students were not the only ones still in school. Vida Germany, a member of the teaching staff, attended UNC-C, working toward her MA in English. Nancy Broome also attended UNC-C for her MA in Spanish. Sara Robinson and Cyndi Zeger took graduate courses at UNC-C. Zeger studied the History of Mathematics, Topics in Geometry and Topology. She plans to complete her advanced certificate in mathematics curriculum and instruction. Earnestine McEachern and Raemi Evans took a Theory of Gifted and Talented Curriculum course given at Catawba College. Aggie Harrington took three courses, Trends and Issues in Special Education; Precision Teaching: An Advanced Internship in Special Education; and Technology in Special Education. She also completed her six-year certificate in Special Education. Ray Davies furthered his qualifications by taking a course in Organization and Management of Youth Club Activities. Debbie Sheets finished her internship and continued to work on her Thesis. Linnea Litaker finished her sixth-year degree in French. Aaron Neely and Tom Sexton both attended many coaches' conferences, including "Champion Coach of the Year Clinic." They both attended conferences provided by the state dealing with social studies. Dale Basinger attended a Far East Institute Seminar on Japan, China, and India given at Lenoir Rhyne College.

seven new to shs

Salisbury High School had new teachers other than those from Knox Middle School. Nancy Broome taught the Spanish classes and Lisa Wear taught general biology. Both Wear and Broome experienced their first year of teaching. Dayton Estes came from Pfeiffer College to teach only one class, Latin I. Gail Holmes moved from Fort Washington, Maryland, and taught Typing I, office occupations and data processing. James Grkman and Roger Seacrest came to Salisbury from Mooresville. Grkman taught marketing and distributive education; Seacrest taught physical education and social sciences. Betty Morrison came from West Virginia and taught Algebra IA and IB.

Cynthia Pribble finds the right tune in her chorus class

renovation, innovation mark 1983-84

Renovation and innovation marked the year for the maintenance and kitchen staffs. A host of new students made it necessary to hire new custodial help to keep the school in shape, while a new salad bar in the cafeteria helped to keep the students in shape.

Administrators hired night custodians to aid the day-time staff. According to Assistant Principal Robert Pharr, custodians could not do enough cleaning with all the students

in the school, so the extra shift was added. Extra maintenance help from the city school office brightened the halls and ceilings with fresh paint after renovation of students' lockers.

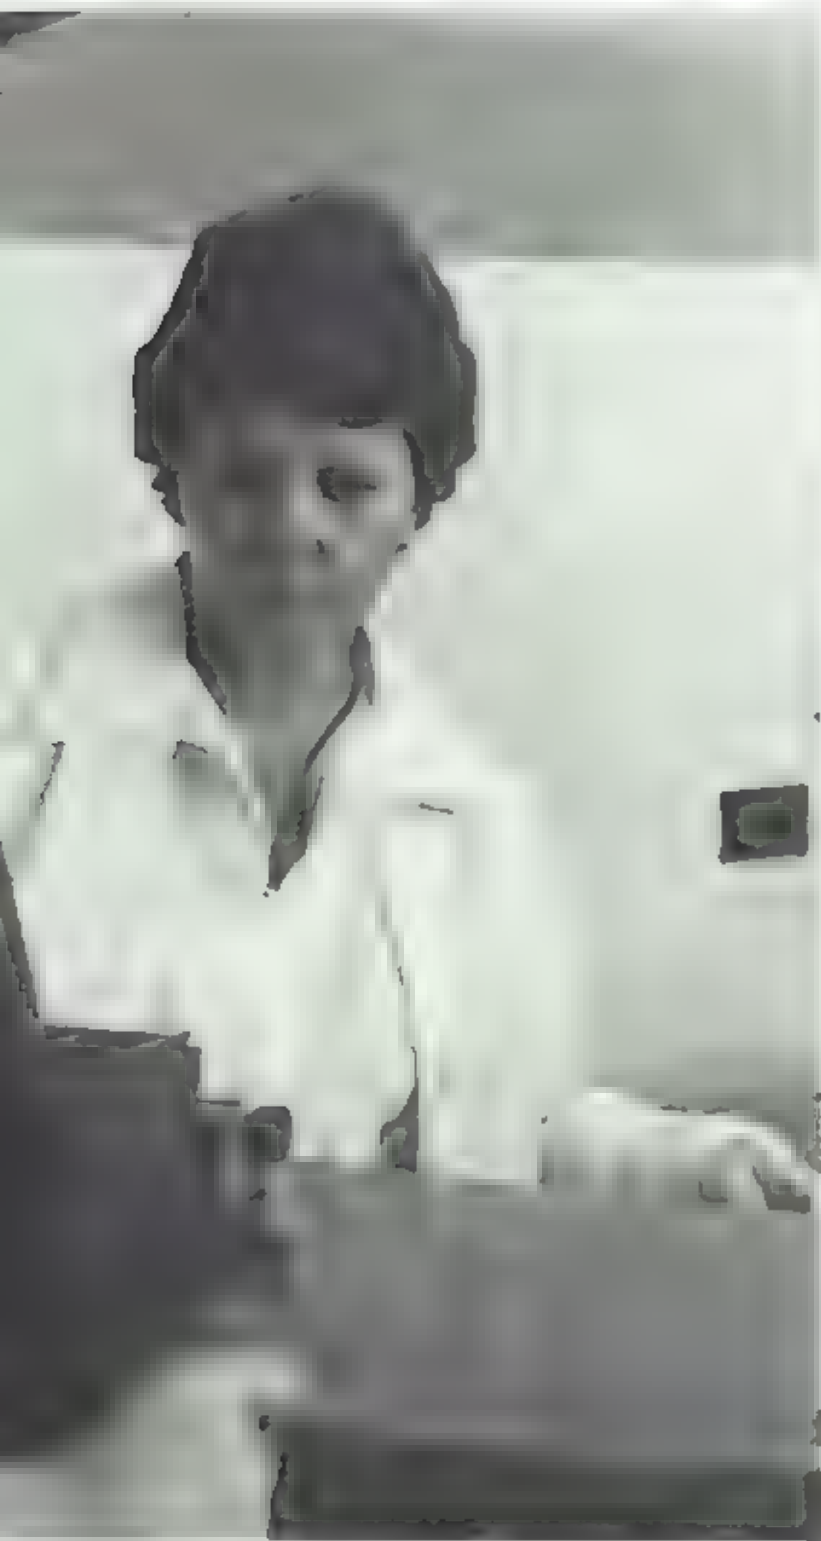

Coping with the added freshman class, the cafeteria staff served an additional lunch period. Responding to a suggestion from the Student Association, the staff supplemented the lunch meals with a salad bar.

Gathered around the new salad bar is the kitchen staff; (front row) Josie Streater, Pat Wilson, Ruth Fleming, Catherine Winderas; (second row) Director Lucille Smith, Ass't Director Sarah Shuping, Doris Jackson, and Betty Shives

Mr. Pickler, head custodian, is handy with projection screens and other classroom needs

Mrs. Smith and Mrs. Streater are surrounded by the tools of their trade

new program gives incentive points

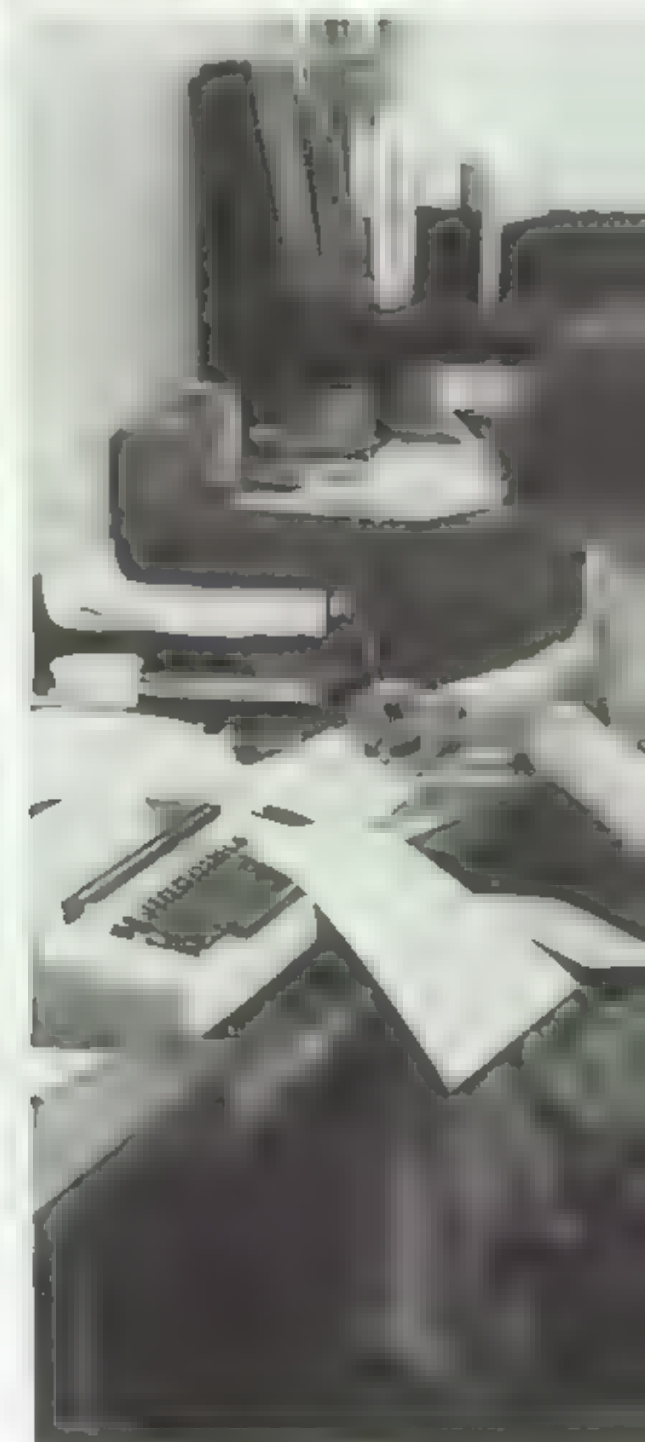

After the faculty members met and proposed a motivation program for better school attendance, the administrative staff, Vice Principal Bob Pharr, secretaries Gloria Gray and Mary Craig, and Principal Windsor Eagle, put together a program giving incentive points to the students. It called for teachers' giving one or two points to the students' quarter grades depending on attendance records. On major test days, five points were giv-

en to each student's test grade if everyone in a specific class attended.

The tardy policies were also altered. Students who were constantly late had to stay after school and either rake leaves, collect trash, or complete a writing assignment, with the topic chosen by the administrator in charge. Mr. Pharr, as athletic director and school disciplinarian, gave punishment when it was needed

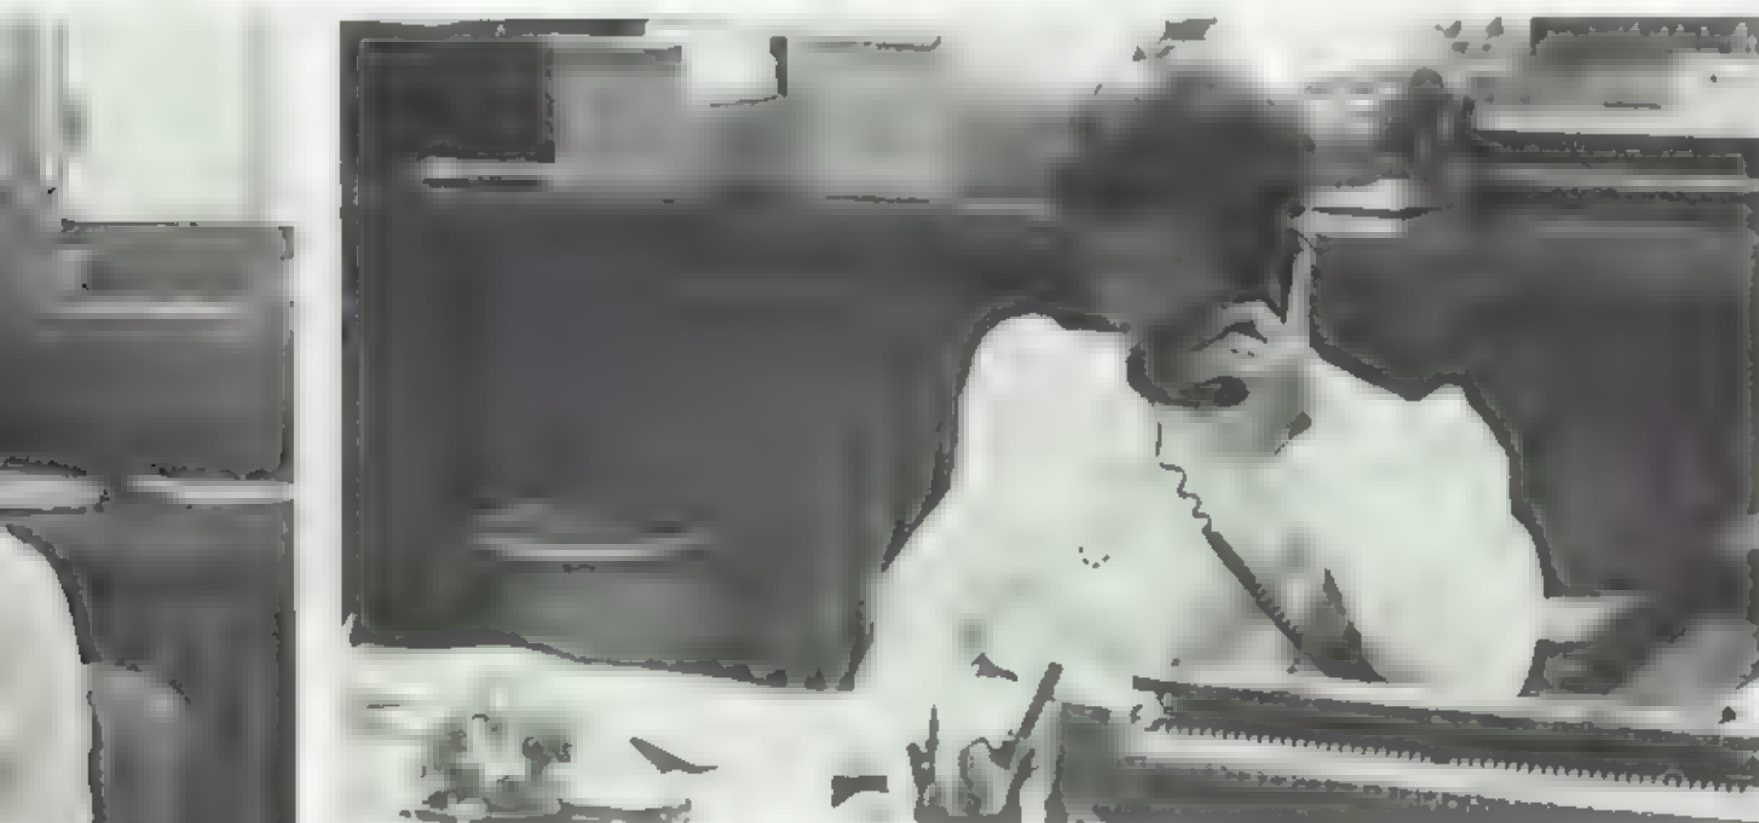

Mrs. Davis helps Mr. Eagle prepare class schedules in the computer room. Mrs. Davis also helps as a substitute teacher

Vice-Principal Bob Pharr serves a dual role as Athletic Director and enforcer of school rules

Serving as Director of the Children's Nutrition Program, Margie Fink talks with a food supplier for the city school system

Working steadily on important paperwork, Superintendent for the City Schools, Dr. Marcus Smith, disregards his "Take It Easy" sign

central office moves to modify school

While other educators were relaxing, the central office administrators were directing changes in the facilities of Salisbury High.

During the summer and the beginning of fall the administrators supervised as workmen hustled to install a new heating and hot water system in the gymnasium.

As the new school year opened men were completing the painting of the halls and were installing new furniture in the lounges.

Some of the other projects which the central office directed were building new handicap ramps in front of

the main building and the music building, expanding the athletic department, acquiring new materials for the freshmen, buying new auditorium curtains to surround the orchestra pit and cover the windows, building a new media center office and guidance counselor's office, and painting the second floor lockers.

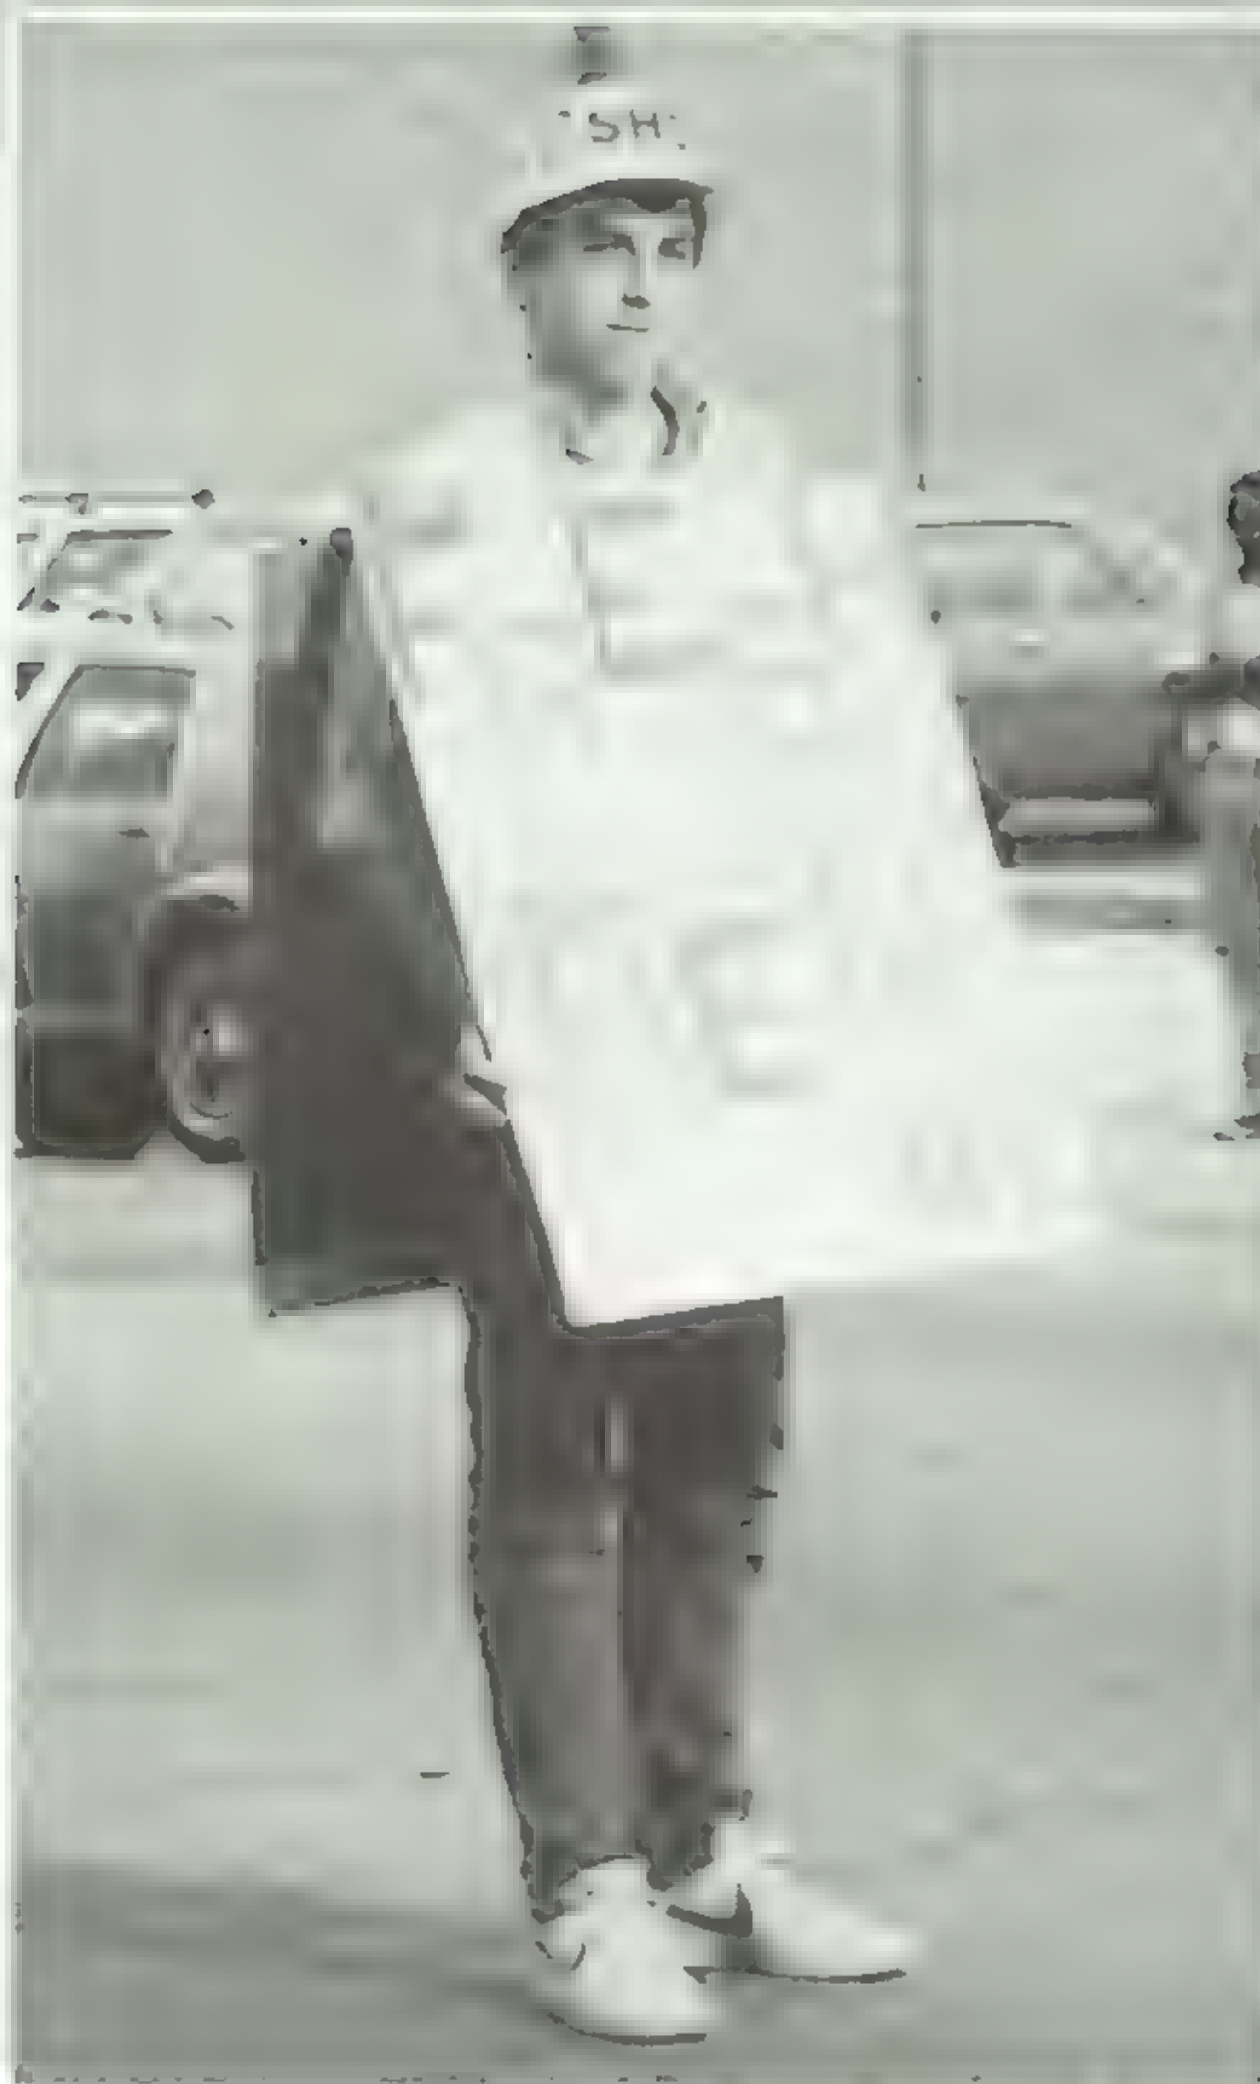

The administrators had the pleasure of dining with Student Association members at the central office during a banquet held to encourage closer ties with student representatives.

Seated in unusually neat surroundings, Dr. Elizabeth Detty, the Director of Instruction and Personnel, pauses to smile for the photographer

the memories of seniors will last forever

Entwined in their memories like the branches of Tristan and Isolde, the good and bad of SHS will remain with the senior class of '84" forever.

Although this wasn't the most enthusiastic class to pass through SHS, seniors can proudly show that they had spirit. They were the first class to win the spirit banner and they placed second in the spirit chain competition.

Nervous seniors waited outside the school at 7 a.m. to take the SAT on cold Saturday mornings. Then they waited anxiously for college acceptances.

By mid-year, however, an attack of senioritis hit the class and tired se-

niors spent many hours trying to combat laziness and forgetfulness.

Thoughts of senior skip day, the prom, and graduation cheered-up seniors, enabling them to survive day by day.

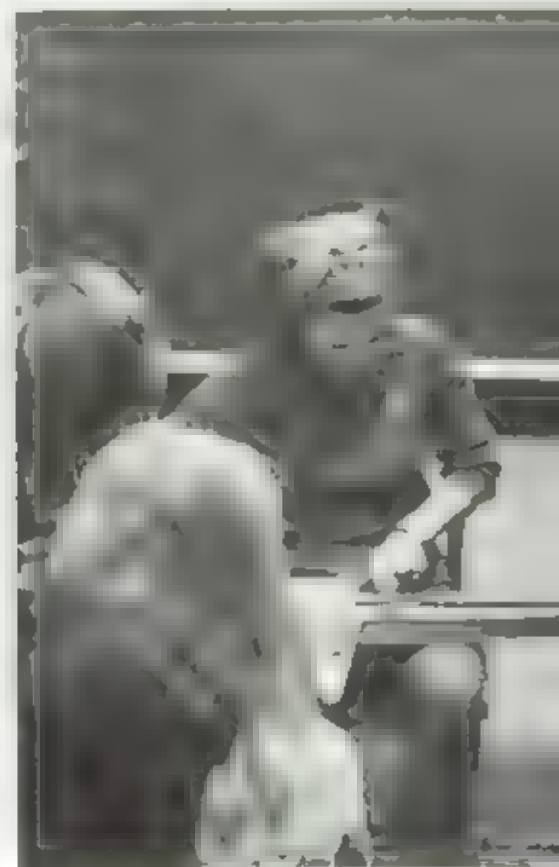

Then as they finally walked across the stage a bittersweet happiness filled them as they realized there would be no more long lunch lines, cold fries, food fights, Friday night football games, or crowded stairwells.

But these seniors could take their diplomas with a smile, for they had conquered one of life's biggest tests.

senior class never quits

The Senior Class has been through it all homework, cap and gown, college acceptances, and graduation. Knowing that they would be leaving and parting friends caused many friendships to grow closer. Through the hardships and tribulations some grew more than others, but they all seemed to share the same idea as this anonymous poet.

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest! If you must — but never quit.

Life is weird, with its twists and turns,
As every one of us sometimes learns,
And many a failure turns about

When he might have won if he'd stuck it out,
Stick to your task, though the pace seems slow —
You may succeed with one more blow

Success is failure turned inside out —
The silver tint of the clouds of doubt
And you never can tell how close you are,
It may be near when it seems afar,
So stick to the fight when you're hardest hit —
It's when things seem worst THAT YOU MUSTN'T QUIT.

upperclassmen are going strong

Being one year older did not make the juniors haughty or lazy; they showed the great spirit they displayed as sophomores once again. With the theme "Eagles Take A Dive, Here Comes the Hornet Hive," the juniors won first place in the float competition at homecoming. On that hectic day, they also dominated in the spirit chain contest.

All this winning required great organization. President Janine Evans, Vice President Mary Ellen Warren, Secretary Teresa Gish, and Treasurer Beth Alfonsi helped out tremendously with homecoming, the candy sale, and the Junior/Senior Prom. But all the credit cannot be given to the class leaders. The entire spirited class of '85 were going strong together.

Getting ready for the homecoming parade, the juniors add the finishing touches to their winning float

juniors consider their class best

Chip Rice — We have the smallest class, but we have the most spirit. We'll be the best to come through this school. Sally Hubbard — Dominate all the contests. Keith Rankin — Full of excitement. We're the class of pizzazz. Brad Mickle — It's the greatest. Gwen Vaughters — It's the best class. Joni James — I'm ready to be a senior. Cindy Hunt — We are the strong, we don't take no jive, we are the class of 85. Tasha Smith — It's the best because we have one more year of school and we're the best that's yet to come. Tawana Smith — The junior class will be happy when next year finally arrives. Davy Peninger — The best! Khadija Reeves — We're the best, that's no lie, we're the class of 85. Steve Heidt — Like to party. Damaris Davis — Juniors this year, seniors next, we're the best of all the rest. Kent Perry — We definitely influence international affairs.

juniors are leaders

Several classmen kept their class proud by fulfilling many leadership duties. The junior class had three members to uphold the position of vice president in the school's service clubs: Mike Goldman of Key Club, Andrea Christmas of Keywanettes, and Kathryn Peeler of Jr. Civitan. Evelyn Brown served the school as 2nd Vice President and Cara Reische as treasurer. They were the only juniors that held a Student Association officers' position. Bruce Titus, with his outstanding athletic ability, and Johnny Wilson, with his superb talent in art, brought glory to the class by winning many awards. Mary Trevey, also a junior, served as chief majorette. Three of the AFS officers were juniors — Mike Goldman, 2nd Vice President; Kris Hardiman, treasurer; and Mary Ellen Warren, secretary. Joni James held an especially tedious job — editor of the ECHO. Four juniors attended Governor's School over the summer break. They were Beth Alfonsi, Gus Cothorn, Jean Sutton and Johnny Wilson. The junior class officers were as follows: Janine Evans, president; Mary Ellen Warren, vice president; Beth Alfonsi, treasurer and Teresa Gish, secretary. The class of '85 should prove to be successful leaders in the years to come.

'85 class stays busy

College being only two years away, the juniors began taking the PSAT and the SAT. They also started to decide what colleges they might look forward to attending after graduation.

Selling candy to raise money for the juniorsenior prom was also on the minds of the class of '85.

Great enthusiasm was displayed, as most of the juniors belonged to one of the three major service clubs, language clubs, vocational clubs, band, orchestra or sports.

the makings of a generation

We are the new breed
 The generation of tomorrow.
 We are competitive.
 Restless.
 Timeless.
 A product of today's society.
 We are a part of all
 That has been before us
 And we will create
 What is to come.
 We have never known the good ole days.
 We missed out on the Beatles,
 J.F.K., and Civil Rights.
 We barely remember Vietnam,
 But few have forgotten Watergate.
 We've seen what OPEC can do for oil prices,
 And what Brooke can do for Calvin Klein Jeans.
 We witnessed Nadia's perfect 10's in the '76 Olympics
 And NCAA championships for UNC and NCSU.
 We've never known a time without Jesse Helms
 Or Russian communism.
 We remember the Iranian Crisis,
 Lebanon, Grenada,
 And soviets shooting down passenger planes.
 We saw what THE DAY AFTER did to Kansas City
 And what cyanide did for Tylenol
 Space Shuttle Columbia was launched
 While computers entered our homes
 Along with video games and MTV.
 We've seen the worst and best.
 We are a part of all
 That has been before us.
 We are the generation of tomorrow
 A new breed.
 We will create
 What is to come

By Joni James

Kris Thompson, Ashley Graham, Kelly Loeblein, and Chip Allen are hard at work on the sophomore float.

sophomores top freshmen

Since SHS added the freshmen to their group, sophomores were not the bottom men on the totem pole. The change seemed to be a good one for the sophomores; much of the trauma of initiation was divided between the freshmen and the sophomores.

The class officers for the sophomore class were finally chosen after several run-off ballots. Chip Allen served as president; Andy Story, vice president; Kelly King, secretary; and Kris Thompson, treasurer. They led their class to a first place in the magazine sale and a

second place in the homecoming float competition.

All sophomores met requirements by taking World History, while most of the class of '86 read *A Separate Peace*.

Although SHS was new to sophomores, they quickly adapted to the environment, teachers, and fellow classmates. The class of '86 received plenty of scoffing from upperclassmen, but they prevailed and told the tales of how they would rule the lounge when they became juniors and seniors.

Ashley Smithman eases away the time with a smile.

Donald Blair and Albert Price break away from their studies to dream about the weekend

sophomores experience initiation

As the opportunity to join any one of the major service clubs arose, sophomores felt a tingle of desire to join. The Keywanettes, Junior Civitan, and the Key Club were soon filled with possible members to vote upon. As the voting took place, sophomores awaited the news of the votes and started feeling a little nervous about the initiation required

of every member. Initiation can be anything from rolling a penny down the hall with your nose to coming to school dressed up as members of the opposite sex, or to coming to school dressed up as punk rockers. But, as initiation came to an end, one thought entered the minds of many sophomores' minds, "Next year it's our turn!"

'we've got the spirit'

Sophomores were a free-spirited class, and proved themselves in the magazine sale, where they came in first place, and the float that brought them in second. The class of '86 was a proud class that participated eagerly in pep rallies, fund-raisers and

many other school activities. Although they came in last on the spirit chain, they were active in events such as the bonfire, homecoming dance and most school sports.

behind the wheel

As the long-awaited day finally arrived, more cars were seen in the Salisbury High School parking lot. When asked, any sophomore would definitely reply that the most important thing about his sixteenth birthday was being able to get a license. Many could not wait to get behind the wheel, just to avoid the hassle of riding buses or depending on friends or family to take them to and from school. However, many stuck with their regular routines and saved their gas for the weekends.

sophomores survive

When the Class of '86 finally came to SHS, they soon found out everything was not as easy as it seemed. Getting used to the changes was rough, and sophomores had to cope with whatever problems came up. Responsibilities were hard to hold; keeping up with the upper classmen and setting examples for the under classmen, taking exams for the first time, and the whole idea of "high school" took some getting used to. But, after a year of being sophomores they could proudly say, "We did it!"

9th grade 'fresh' to shs

The class of 1987 was a unique and noticeable addition to Salisbury High because this was the first freshman class to inhabit SHS since 1966. The youngest class was forced to adjust to the new environment here, and the school was modified to accomodate them. High school came a year early for the freshmen as they relinquished their ninth grade year at Knox for a position here. The youngest class had to deal with many new, unfamiliar faces in the form of seniors, juniors, and teachers. They panicked at the sight of strange, mazelike hallways. They searched for neverbefore-seen rooms while trying to get to class on time. Masses of people clogged the halls, making their efforts futile. Homework occupied many hours of weekday life. Weekends became days which were treasured and were always put to good use. But as the first few weeks passed, routine was established, for the freshmen adapted to their new surroundings. They gradually became more comfortable with

their new school, and the school gradually became accustomed to them.

SHS was forced to make changes in order to incorporate the freshmen into the school before the 1983—84 school year began. First, the school's constitution had to be revised to permit freshmen to attend. New teachers were added to the faculty to accomodate the 200 additional students. Construction and repair work was completed in the school. Lockers on the first floor were painted and repaired last year, while the same work was performed on the second floor lockers this year. The guidance offices were expanded to include two additional rooms and needed space. Another change was the addition of a third lunch period. This was supposed to make room for the new students, but lines seemed longer than ever. Finally, new restrictions were imposed. All students were required to report to the cafeteria during their lunch period.

freshmen

We're pushed around corners;
We're shoved down the stairs.
We are picked on constantly
By upperclassmen with no cares.
We're beaten out at pep rallies,
We're forced to the back of lines.
Our ideas are scoffed at frequently
By 3:05 we're out of our minds.
Soon we will be the pushers and shovers,
Our turn will finally come.
Then we'll show another freshman class
How it's really done!

freshmen speak out

- What is the biggest difference between Knox and SHS?
- Daniel Warlick** — The stairs. It is so much more time consuming to go from one place to another.
- Elliott White** — More freedom and having to take exams.
- Carrie Reavis** — The stairs and being mixed in with upperclassmen
- Tracey Cowan** — Steps.
- Ronesha Crawford** — The cafeteria schedule and the upperclassmen, because they try and boss everybody.
- Tommy Washington** — The upperclassmen because they aren't very friendly.
- Lauri Lyerly** — The teachers are harder, and they expect a lot more out of you. They have higher standards.
- Maria Helfer** — The size — you have to walk a lot quicker to get to class on time.
- David Zirt** — The sports.
- Becky Morgan** — The class changes.

tackling homecoming

As the first freshman class in 17 years at SHS, the class of '87 stood back to observe and learn how to do things. Although they proved to be timid at pep rallies, the young class finally got the meaning of "school spirit." They gradually became more vocal at pep rallies as time went on, and by homecoming, they were fully aware of the contests which took place. They eagerly prepared to design their very first float for the homecoming parade.

The freshmen may have started slowly on their float, but they finished impressively. They spent their first day of float building watching the others, but they worked hard to complete the float by Friday. They used the slogan "Hornets K.O. Eagles" to capture third-place honors in the competition. The spirit chain contest seemed rather baffling to them at first also, but they gradually got the "hang" of it. They had a strong finish as they collected enough money to outdistance the total of the sophomores and garner the third-place award in this competition also.

Watt called his coal-leasing commission "a black, a woman, two Jews, and a cripple."

... With the success of the 1983-84 *Echo*, we, the '84 staff, saw a shadow looming over us. We felt no improvements could be made on the previous format, so we designed our own. Instead of paragraphs of copy on opening and division pages we substituted a few words and phrases. A grid was printed on the cover and throughout the book to add a continual design. Black and gray were used for the cover to keep yearbook costs low, while five separate silhouettes represented the five separate sections. All lower case lettering was used for headlines and names to add a unique style to *echo '84*. Due to the freshman class being added to SHS, the *echo* added eight pages. ... Even though the *echo '84* is not all that we dreamed it would be, it is a product of our hard work and long hours. We wish to apologize to the freshman class officers, who are not pictured, as well as to the members of clubs whose names are omitted in the captions of group pictures.

To our staff photographers Brad Brooker, Kelly Brown, and Janine Evans, and to Ms. Carol Allison, Mr. Ralph Brown, Mr. Fred Evans, Mr. Ralph Burkholder and the *Salisbury Post*, we owe the deepest appreciation for the photos that grace these pages. To Mr. William Stoess, our Delmar Representative, goes our gratitude. With endless patience he replaced pica rulers and copy sheets and waited for deadlines. To Mr. Windsor Eagle and the entire faculty at SHS go thanks for their assistance and understanding. We are grateful to Beth Alfonsi for designing our cover and devoting herself to the *echo*, even though she was not on the staff. To Karen Carpenter, *Hornet* editor, we extend a sincere thanks for sharing staff, pictures, and problems. To Rob Eichelberger, the Copy/Layout editor, goes appreciation for keeping his cool and editing the "*echo*." We salute our leader, Mrs. "G", for her patience and overwhelming devotion to the *echo '84*. Finally the deepest gratitude goes to those staff members who met deadlines and made this yearbook what it is.

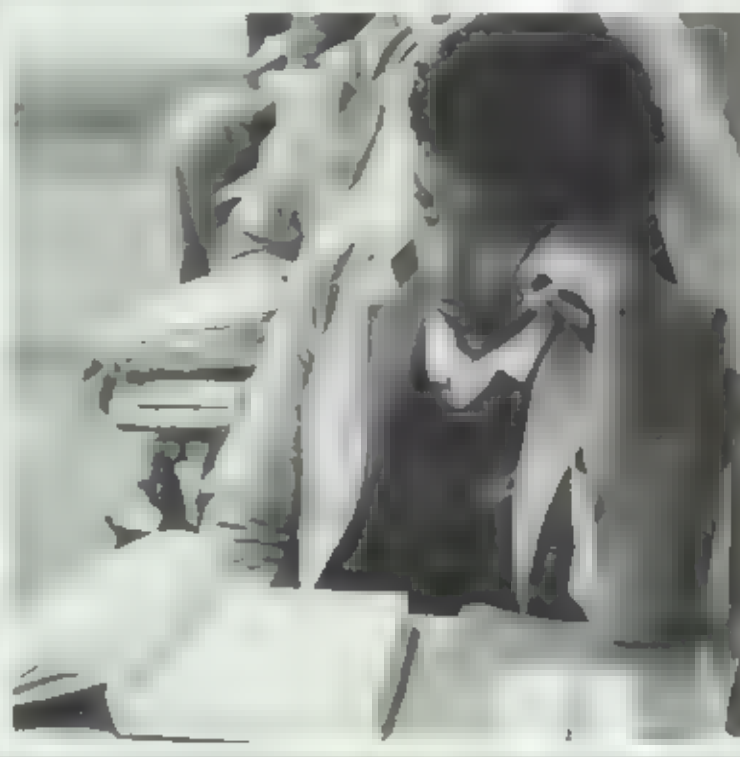

... The *echo '84* is produced by your peers for your enjoyment. It is the shadow of a year. Read and remember!

was stabbed to death
in the summer of
84. Saturday the
16 in June

Courtney,
It's really been fun
having you this year. Hope
you have a great summer.
See you next year. Stay
sweet and stay out of trouble,
F/F
Yummy Shoub
'85"

How's been ya?,
Well, Court. Even though
ya bug me you're a nice
girl. Just kidding. I don't have
much to say to — I'll just
say have a great summer!
See ya next year!

Paul

Courtney,

It's really been fun
having you this year as
a class mate. I've really
enjoyed playing around with
you in 6th period. You are a
fine, and cute chic. Good luck
next year.

Love Kimberly McCordle

Courtney, It has
been really knowing you this
year. We had a lot of fun in art,
when I was there. Good luck next
year and in the future in whatever
you do. Have fun this summer.

Danny
Gishner

Courtney,
We've had a lot
of fun in band for the
past 3 years but it went
happen again because I
for are really sweet
• I hope to see you
over the summer!

Jane

QUIT!!

Courtney,

It's really been great
getting to know you again!

You are a real sweet girl.

I wish you the best in
everything.

Hope to see you over
the summer.

Love is,

Kathy

To. a sweet & kind young lady
who I have enjoyed having
science with even though
you and I didn't get along but
we are still friends. ^{stay} Sweet
hope you have a nice summer
love {see you next year}
